Health	Consumer Health Care Access Liaison	HB 0440 (HFA 0001) Morgan	Amendment - (RE-REFERRED TO RULES) Replaces everything after the enacting clause. Amends the Department of Insurance Law of the Civil Administrative Code of Illinois. Provides that the Governor, with the advice and consent of the Senate, shall appoint a person within the Department of Insurance to serve as the Consumer Health Care Access Liaison for the State of Illinois. Provides that the Consumer Health Care Access Liaison shall receive an annual salary as set by the Governor and beginning July 1, 2023 shall be compensated from appropriations made for this purpose. Provides that the person appointed Consumer Health Care Access Liaison may be an existing employee with other duties. Provides that the Consumer Health Care Access Liaison shall have authority to oversee and direct functions at other State agencies related to network adequacy issues in Illinois, including, but not limited to, the Department of Public Health, the Department of Financial and Professional Regulation, and the Department of Healthcare and Family Services. Makes a conforming change in the Network Adequacy and Transparency Act. Effective immediately.	Monitor	HOUSE Re-Referred to Rules
Health	Wholesale Acquisition Cost	HB 1034 Flowers	Provides that the amendatory provisions apply to any manufacturer of a prescription drug that is purchased or reimbursed by specified parties. Provides that a manufacturer of a prescription drug with a wholesale acquisition cost of more than \$40 for a course of therapy shall notify specified parties if the increase in the wholesale acquisition cost of the prescription drug is more than 10%, including the proposed increase and cumulative increase. Provides that the notice of price increase shall be provided in writing at least 60 days prior to the planned date of the increase. Provides that no later than 30 days after notification of a price increase or new prescription drug the manufacturer shall report specified additional information to specified parties. Provides that a manufacturer of a prescription drug shall provide written notice if the manufacturer is introducing a new	Monitor	HOUSE Referred to Rules

			prescription drug to market at a wholesale acquisition cost that exceeds a specified threshold. Provides that failure to provide notice under the amendatory provisions shall result in a civil penalty of \$10,000 per day for every day after the notification period that the manufacturer fails to report the information. Requires the Department of Public Health to conduct an annual public hearing on the aggregate trends in prescription drug pricing. Requires the Department to publish on its website a report detailing findings from the public hearing and a summary of details from reports provided under the amendatory provisions, except for information identified as a trade secret or exempted under the Freedom of Information Act. Provides that the amendatory provisions shall not restrict the legal ability of a pharmaceutical manufacturer to change prices as permitted under federal law.		
Health	Defined Cost Sharing Rx Drugs (Rebates)	HB 1054 Mayfield	Provides that a group or individual policy of accident and health insurance amended, delivered, issued, or renewed on or after January 1, 2024 that provides coverage for prescription drugs shall require that a covered individual's defined cost sharing for each prescription drug shall be calculated at the point of sale based on a price that is reduced by an amount equal to at least 100% of all rebates received in connection with the dispensation or administration of the prescription drug. Provides that an insurer shall apply any rebate amount in excess of the defined cost sharing amount to the health plan to reduce premiums. Provides that the provisions shall not preclude an insurer from decreasing a covered individual's defined cost sharing by an amount greater than the stated amount at the point of sale. 			HB 1468 (HCA 0001) (REFERRED TO ADOPTION & CHILD WELFARE)	Amendment #1	
			Replaces everything after the enacting clause. Creates the Family	Amenument #1	
			Recovery Plans Implementation Task Force Act. Provides that it is the		
			intent of the General Assembly to require a coordinated, public health,		
			and service-integrated response by various agencies within the State's		
			health and child welfare systems to address the substance use		
			treatment needs of infants born with prenatal substance exposure, as		
			well as the treatment needs of their caregivers and families, by		
			requiring the development, provision, and monitoring of family		
			recovery plans. Creates the Family Recovery Plan Implementation Task		
			Force within the Department of Human Services to review models of		
			family recovery plans that have been implemented in other states;		
			review research regarding implementation of family recovery plans		
			care; and develop recommendations regarding the implementation of a		
			family recovery plan model in Illinois, including developing an		
			implementation plan and identifying any necessary policy, rule, or		
			statutory changes. Contains provisions concerning the composition of		
			the Task Force; meetings; co-chairs; administrative support; and		
			reporting requirements. Provides that the Task Force is dissolved, and		
			the Act is repealed, on January 1, 2027. Amends the Abused and		
			Neglected Child Reporting Act. Requires the Department of Children		
			and Family Services to develop a standardized CAPTA notification form		

5.22.24					
			that is separate and distinct from the form for written confirmation		
			reports of child abuse or neglect. Defines "CAPTA notification" to mean		
			notification to the Department of an infant who has been born and		
			identified as affected by prenatal substance exposure or a fetal alcohol		
			spectrum disorder as required under the federal Child Abuse Prevention		
			and Treatment Act. Provides that a CAPTA notification shall not be		
			treated as a report of suspected child abuse or neglect, shall not be		
			recorded in the State Central Registry, and shall not be discoverable or		
			admissible as evidence in any proceeding pursuant to the Juvenile Court		
			Act of 1987 or the Adoption Act unless the named party waives his or		
			her right to confidentiality in writing. Repeals a provision requiring the		
			Department of Children and Family Services to report to the State's		
			Attorney whenever the Department receives a report that a newborn		
			infant's blood contains a controlled substance. Amends the Juvenile		
			Court Act of 1987. Removes newborn infants whose blood, urine, or		
			meconium contains any amount of a controlled substance from the list		
			of children presumed neglected or abused under the Act. In a provision		
			listing the types of evidence that constitutes prima facie evidence of		
			neglect, removes from the list: (i) proof that a minor has a medical		
			diagnosis of fetal alcohol syndrome; (ii) proof that a minor has a		
			medical diagnosis at birth of withdrawal symptoms from narcotics or		
			barbiturates; and (iii) proof that a newborn infant's blood, urine, or		
			meconium contains any amount of a controlled substance. Amends the		
			Adoption Act. In the definition of "unfit parent", removes language		
			providing that there is a rebuttable presumption that a parent who		
			gives birth is unfit if a test result confirms that at birth the child's blood,		
			urine, or meconium contained any amount of a controlled substance.		
			Removes language providing that a parent is unfit if there is a finding		
			that at birth the child's blood, urine, or meconium contained any		
			amount of a controlled substance and that the biological mother of the		
			child is the biological mother of at least one other child who was		
			adjudicated a neglected minor by a court in accordance with the		
			Juvenile Court Act of 1987. Effective immediately.

HB 2472 (HCA 0001) (ADOPTED)

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Makes changes in provisions concerning uniform medical claim and billing forms. Provides that no law or rule shall be construed to exempt any utilization review program from specified administration and enforcement requirements of the Managed Care Reform and Patient Rights Act with respect to specified forms of insurance. Amends the Dental Service Plan Act, the Health Maintenance Organization Act, the Limited Health Service Organization Act, and the Voluntary Health Services Plans Act. Provides that fraternal benefit societies, dental service plan corporations, health maintenance organizations, limited health service organizations, and health services plan corporations are subject to provisions of the Illinois *Insurance Code concerning uniform medical claim and billing forms.* Amends the Health Carrier External Review Act. Makes changes in the definitions of "adverse determination" and "final adverse determination". Amends the Managed Care Reform and Patient Rights Act. Provides that even if a health care plan or other utilization review program uses an algorithmic automated process in the course of utilization review, the health care plan or other utilization review program shall ensure that only a clinical peer makes any adverse determination, and that any appeal is processed as required under the provisions, including the restriction that only a clinical peer may review an appeal. Makes other changes concerning utilization review. Provides that utilization review programs that use algorithmic automated processes in the course of utilization review shall use objective, evidence-based criteria compliant with the accreditation requirements of the Health Utilization Management Standards of the Utilization Review Accreditation Commission or the National Committee for Quality Assurance (NCQA) and shall provide proof of such compliance to the Department of Insurance with the required registration. Amends the Prior Authorization Reform Act. Provides that if a health insurance issuer imposes a monetary penalty on the enrollee for the enrollee's, health care professional's, or health care provider's failure to obtain any form of prior authorization for a health care service, the penalty may not exceed the lesser of the actual cost of the health care service

			health care providers, pharmacies licensed in the State, and other		Availability &
			stakeholders within the health care system from the high costs of		Accessibility
			stakeholders within the health care system from the high costs of		Accessibility

prescription drug products. Contains provisions concerning Board membership and terms; staff for the Board; Board meetings; circumstances under which Board members must recuse themselves; and other matters. Provides that the Board shall perform the following actions in open session: (i) deliberations on whether to subject a prescription drug product to a cost review; and (ii) any vote on whether to impose an upper payment limit on purchases, payments, and payor reimbursements of prescription drug products in the State. Permits the Board to adopt rules to implement the Act and to enter into a contract with a qualified, independent third party for any service necessary to carry out the powers and duties of the Board. Creates the Health Care Availability and Access Stakeholder Council to provide stakeholder input to assist the Board in making decisions as required by the Act. Contains provisions concerning Council membership, member terms, and other matters. Provides that the Board shall adopt the federal Medicare Maximum Fair Price as the upper payment limit for a prescription drug product intended for use by individuals in the State. Requires the Attorney General to enforce the Act. Effective 180 days after becoming law.

HB 4472 (HCA 0001) (REFERRED TO HEALTH CARE AVAILABILITY & ACCESS)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that, of the 5 members that the Governor shall appoint to the Health Care Availability and Access Stakeholder Council, 2 shall represent health care providers, 2 shall represent patients and health care consumers, and one shall be a patient living with a rare disease or current or former caregiver of a patient living with a rare disease. Provides that the Health Care Availability and Access Board shall consider research and development costs of a manufacturer of a drug and the extent to which the manufacturer has recouped research and development costs when considering whether to conduct a full affordability review of a drug. In language providing that the Board may not use costeffectiveness analyses that include the cost-per-quality adjusted life year or a similar measure to identify subpopulations for which a treatment would be less cost-effective due to severity of illness, age, or

Oppose with Amendment #1

3.22.24					
			preexisting disability in determining whether a drug creates an affordability challenge or determining an upper payment limit amount, provides that the restrictions apply whether or not the Board directly uses such a cost-effectiveness analysis or indirectly uses the analysis through a contracted entity or other third-party. Provides that the upper payment limit shall not be inclusive of the pharmacy dispensing fee, provider administration fee, or add-on fee for provider-administered drugs (rather than the pharmacy dispensing fee or the provider administration fee). Provides that a health plan that generates savings as a result of an upper payment limit shall pass the savings on to reduce costs to consumers, prioritizing the reduction of out-of-pocket costs for prescription drugs. Provides that each health plan shall submit to the Board an annual report describing the savings achieved as a result of implementing upper payment limits and how the savings were used to reduce costs to consumers. Makes other changes. Effective immediately. HB 4472 (HCA 0002) (REFERRED TO HEALTH CARE AVAILABILITY & ACCESS) In provisions requiring the Health Care Availability and Access Board to examine how an upper payment limit would affect a covered entity, provides that the upper payment limit shall not be inclusive of the pharmacy dispensing fee, provider administration fee, or any additional payment amount made by a payor to a provider for the drug product related to the provider's procurement, handling, storage, or other activity facilitating administration of the drug product (rather than the upper payment limit shall not be inclusive of the pharmacy dispensing fee, provider administration fee, or add-on fee for provider-administered drugs). Provides that the additional payment amount may be reflected in the payor's fee schedule, provider contract, or any other agreement governing reimbursement of the drug product and associated services.	Oppose with Amendment #2	
Health	Behavioral Health	HB4475 LaPointe	Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. 			providing that post-parturition care benefits shall not be subject to any		
			cost-sharing requirement. Provides that coverage for postpartum		
			services shall apply for at least one year after the end of the pregnancy		
			(rather than one year after birth). Provides that beginning January 1,		
I			2025, certified professional midwife services (instead of licensed		
			certified professional midwife services) shall be covered under the		
			medical assistance program. Removes language providing that		

			midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025. HB 5142 (HCA 0002) (ADOPTED) Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility	Oppose with Amendment #2	
Health	Dependent Parent Coverage	HB 5258 Huynh	for a health savings account. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance issued, amended, delivered, or renewed after January 1, 2026 that provides dependent coverage shall make that dependent coverage available to the parent or stepparent of the insured if the parent or stepparent meets the definition of a qualifying relative under specified federal law and lives or resides within the accident and health insurance policy's service area. Exempts specialized health care service plans, Medicare supplement insurance, hospital-only policies, accident-only policies, or specified disease insurance policies from the provisions. Defines "dependent".	Oppose	HOUSE Assigned to Insurance

			miscarriage or stillbirth to the same extent and cost-sharing as for any other medical condition covered under the policy. <i>Effective January 1, 2025.</i>		
Health	Hormone Therapy	<u>HB 5295</u> Dias	Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed in this State shall provide coverage for medically necessary hormone therapy treatment to treat menopause (instead of to treat menopause that has been induced by a hysterectomy). <i>Effective January 1, 2026.</i>	Neutral	HOUSE Assigned to Insurance
			Replaces everything after the enacting clause. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 shall provide coverage for medically necessary hormonal and non-hormonal therapy to treat menopausal symptoms if the therapy is recommended by a qualified health care provider who is licensed, accredited, or certified under Illinois law and the therapy has been proven safe and effective in peer-reviewed scientific studies. Provides that coverage for therapy to treat menopausal symptoms shall include all federal Food and Drug Administration-approved modalities of hormonal and non-hormonal administration, including, but not limited to, oral, transdermal, topical, and vaginal rings. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the medical assistance program shall provide coverage for medically necessary hormone therapy treatment to treat menopause that has been induced by a hysterectomy. Makes a conforming change.	Neutral with Amendment #1	
Health	Network Adequacy Directory	HB 5313 Croke	Effective January 1, 2026. Amends the Network Adequacy and Transparency Act. Provides that a network plan shall, at least annually, audit (instead of audit periodically) at least 25% of its provider directories for accuracy, make any corrections necessary, and retain documentation of the audit.	Oppose	HOUSE 2 nd Reading
			Provides that the network plan shall submit the audit to the Department of Insurance (instead of to the Director of Insurance upon request). Provides that the Department shall make the audit publicly available. Provides that a network plan shall include in the print format provider directory (i) a detailed description of the process to dispute		

charges for out-of-network providers or facilities that were incorrectly listed as in-network prior to the provision of care and (ii) a telephone number and email address to dispute those charges. Makes changes to the information that must be provided in a network plan's electronic and print directory. Requires the Director to conduct random audits of the accuracy of provider directories for at least 10% of plans each year. Provides that a consumer who incurs a cost for inappropriate out-ofnetwork charges for a provider, facility, or hospital that was listed as in-network prior to the provision of services may file a verified complaint with the Department, and the Department shall conduct an investigation of the verified complaint and determine whether the complaint is sufficient. Provides that, upon a finding of sufficiency, the Director shall have the authority to levy a fine for not less than the cost incurred by the consumer for inappropriate out-of-network charges for a provider, facility, or hospital that was listed in-network. Provides that the fines collected by the Director shall be remitted to the consumer. HB 5313 (HCA 0001) (TABLED)

Provides that the network plan shall, at least every 90 days (rather than at least annually), audit its provider directories for accuracy (rather than audit periodically at least 25% of its provider directories for accuracy), make any corrections necessary, and retain documentation of the audit. In provisions about complaints of incorrect charges, allows a beneficiary (rather than a consumer) who incurs a cost for inappropriate out-of-network charges for a provider, facility, or hospital that was listed as in-network prior to the provision of services may file a complaint (rather than a verified complaint) with the Department of Insurance. Provides that the network plan shall reimburse the beneficiary the amount necessary to ensure the beneficiary is held harmless for all amounts exceeding the amount of the beneficiary would have paid had the services been provided innetwork (rather than the Director of Insurance shall have the authority to levy a fine for not less than the cost incurred by the consumer for inappropriate out-of-network charges for a provider, facility, or hospital that was listed as in-network). Requires all out-of-pocket costs incurred by the beneficiary to apply toward the in-network deductible

Health	Nonopioid	HB 5355	Creates the Nonopioid Alternatives for Pain Act. Requires the	Oppose	HOUSE
	Alternative	LaPointe	Department of Public Health to develop and publish an educational		Assigned to
	Act	Yang Rohr	pamphlet regarding the use of nonopioid alternatives for pain		Health Care
			treatment. Provides that a health care practitioner shall exercise		Availability 8
			professional judgment in selecting appropriate treatment modalities		Access
			for pain in accordance with specified Centers for Disease Control and		
			Prevention guidelines, including the use of nonopioid alternatives		
			whenever nonopioid alternatives exist. Requires a health care		

			practitioner who prescribes an opioid drug to provide certain		
			information to the patient, discuss certain topics, and document the		
			reasons for the prescription. Requires the Department to develop a		
			nonopioid directive form for patients. Sets forth provisions concerning		
			exceptions, execution of a nonopioid directive, opioid administration		
			to a patient with a nonopioid directive, and limitations of liability.		
			Amends the Illinois Insurance Code. Provides that when a licensed		
			health care practitioner prescribes a nonopioid medication for the		
			treatment of acute pain, it shall be unlawful for a health insurance		
			issuer to deny coverage of the nonopioid prescription drug in favor of		
			an opioid prescription drug or to require the patient to try an opioid		
			prescription drug before providing coverage. Provides that in		
			establishing and maintaining its drug formulary, a health insurance		
			issuer shall ensure that no nonopioid drug approved by the Food and		
			Drug Administration for the treatment or management of pain shall be		
			disadvantaged or discouraged, with respect to coverage or cost		
			sharing, relative to any opioid or narcotic drug for the treatment or		
			management of pain. Amends the Medical Assistance Article of the		
			Illinois Public Aid Code. Provides that whenever a licensed health care		
			practitioner prescribes a nonopioid medication for the treatment of		
			acute pain, neither the Department of Healthcare and Family Services		
			nor a managed care organization shall deny coverage of the nonopioid		
			prescription drug in favor of an opioid prescription drug or require a		
			patient to try an opioid prescription drug prior to providing coverage of		
			the nonopioid prescription drug. Makes other changes.

	Glucose	Ladisch	policy of accident and health insurance or a managed care plan that is		Assigned to
	Monitor	Douglass	amended, delivered, issued, or renewed on or after January 1, 2025		Insurance
			shall provide coverage for continuous glucose monitors, related		
			supplies, and training in the use of continuous glucose monitors for		
			any individual who is diagnosed with diabetes mellitus and meets		
			other requirements, including that the prescriber had an in-person or		
			covered telehealth visit with the individual to evaluate the individual's		
			diabetes control and has determined that the eligibility criteria is met.		
			Provides that to qualify for a continuous glucose monitor, a patient is		
			not required to have a diagnosis of uncontrolled diabetes; have a		

history of emergency room visits or hospitalizations; or show improved glycemic control. Provides that an individual who is diagnosed with diabetes mellitus and meets the requirements shall not be required to obtain prior authorization for coverage for a continuous glucose monitor, and coverage shall be continuous once the continuous glucose monitor is prescribed. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services shall adopt rules to implement the changes made by the amendatory Act. Specifies that the rules shall, at a minimum contain certain provisions concerning the ordering provider, continuous glucose monitors not being required to have certain functionalities, eligibility requirements for a beneficiary, and not requiring prior authorization. *Effective July 1, 2024*.

HB 5382 (HCA 0001) (REFERRED TO RULES)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the definition of "diabetes mellitus" to provide that "diabetes mellitus" includes all forms of diabetes, a chronic condition where the pancreas does not produce insulin or does not produce enough insulin or the body cannot effectively use the insulin it produces. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 (rather than January 1, 2025) shall provide coverage for continuous glucose monitors, related supplies, and training in the use of continuous glucose monitors for any individual who is diagnosed with diabetes mellitus, and the coverage shall fully align with the coverage for continuous glucose monitors under Medicare and the eligibility requirements shall be no more restrictive than the eligibility requirements for continuous glucose monitors under Medicare (rather than specifying requirements). Adds language providing that the rules adopted by the Department of Healthcare and Family Services shall provide that the beneficiary is not required to have a diagnosis of controlled diabetes. Removes language providing that continuous glucose monitors are not required to have specified functionalities. Provides that the continuous glucose monitor chosen by the individual must be approved by the United States Food and Drug

Oppose with Amendment #1

			Administration. Provides that the fee-for-service medical assistance program shall comply with the provisions of the Illinois Insurance Code mandating coverage for continuous glucose monitors. Makes a conforming change. Effective January 1, 2025 (rather than July 1, 2024).		
Health	Alzheimer Treatment	HB 5383 Gill	Amends the State Employees Group Insurance Act. Requires the State Employees Group Insurance Program to provide coverage for all FDA-approved treatments or medications prescribed to slow the progression of Alzheimer's Disease or another related dementia, as determined by a physician licensed to practice medicine in all its branches. Provides that diagnostic testing necessary for a physician to determine the appropriate use of treatments or medications shall be covered by the State Employees Group Insurance Program. HB 5383 (HCA 0001) (REFERRED TO INSURANCE) Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. In a provision regarding coverage for Alzheimer's Disease or other related dementia, limits the	Monitor Neutral with Amendment #1	HOUSE Assigned to Insurance
			provision to beginning on July 1, 2025 (rather than January 1, 2025). Requires FDA-approved treatments or medications prescribed to slow the progression of Alzheimer's Disease or another related dementia to be medically necessary in order to qualify for coverage under the State Employees Group Insurance Program. Adds a specific prohibition on step therapy for treatment of Alzheimer's Disease or another related dementia.		
			HB 5383 (HCA 0002) (REFERRED TO INSURANCE) Replaces everything after the enacting clause with the provisions of House Amendment No. 1 with the following changes. Provides that treatment for Alzheimer's Disease under the State Employees Group Insurance Program shall be covered if determined to be medically necessary by a physician licensed to practice medicine under the Illinois Medical Practice Act of 1987 (rather than by a physician licensed to practice medicine in all its branches).	Neutral with Amendment #2	
Health	Network Adequacy Standards	HB 5395 Moeller	Amends the Network Adequacy and Transparency Act. Adds definitions. Provides that the minimum ratio for each provider type shall be no less than any such ratio established for qualified health plans in Federally-Facilitated Exchanges by federal law or by the	Oppose	HOUSE 2 nd Reading

federal Centers for Medicare and Medicaid Services. Provides that the maximum travel time and distance standards and appointment wait time standards shall be no greater than any such standards established for qualified health plans in Federally-Facilitated Exchanges by federal law or by the federal Centers for Medicare and Medicaid Services. Makes changes to provisions concerning network adequacy, notice of nonrenewal or termination, transition of services, network transparency, administration and enforcement, provider requirements, and provider directory information. Amends the Managed Care Reform and Patient Rights Act. Makes changes to provisions concerning notice of nonrenewal or termination and transition of services. Amends the Illinois Administrative Procedure Act to authorize the Department of Insurance to adopt emergency rules implementing federal standards for provider ratios, time and distance, or appointment wait times when such standards apply to health insurance coverage regulated by the Department of Insurance and are more stringent than the State standards extant at the time the final federal standards are published. Amends the Illinois Administrative Procedure Act to make a conforming change. Effective immediately.

HB 5395 (HCA 0001) (ADOPTED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the amendatory Act may be referred to as the Health Care Consumer Access and Protection Act. Amends the Illinois Insurance Code. Provides that, unless prohibited under federal law, for plan year 2026 and thereafter, for each insurer proposing to offer a qualified health plan issued in the individual market through the Illinois Health Benefits Exchange, the insurer's rate filing must apply a cost-sharing reduction defunding adjustment factor within a range that is uniform across all insurers; is consistent with the total adjustment expected to be needed to cover actual cost-sharing reduction costs across all silver plans on the Illinois Health Benefits Exchange statewide; and makes certain assumptions. Provides that the rate filing must apply an induced demand factor based on a specified formula. Provides that certain provisions concerning filing of premium rates for group accident and health insurance for approval by the Department of Insurance do not

Oppose with Amendment #1 apply to group policies issued to large employers. Removes language providing that certain provisions do not apply to the large group market. Provides that for large employer group policies issued, delivered, amended, or renewed on or after January 1, 2026, the premium rates and risk classifications must be filed with the Department annually for approval. Amends the Limited Health Service Organization Act to provide that pharmaceutical policies are subject to the provisions of the amendatory Act. Sets forth provisions concerning short-term, limited-duration insurance. Provides that no company shall issue, deliver, amend, or renew short-term, limited-duration insurance. Provides that the Department may adopt rules as deemed necessary that prescribe specific standards for or restrictions on policy provisions, benefit design, disclosures, and sales and marketing practices for excepted benefits. Provides that the Director of Insurance's authority under specified provisions is extended to group and blanket excepted benefits. Makes conforming changes in the Health Maintenance Organization Act. Repeals the Short-Term, Limited-Duration Health Insurance Coverage Act. Provides that no later than July 1, 2025, insurance companies that use a drug formulary shall post the formulary on their websites. Makes changes concerning utilization reviews and step therapy requirements. Provides that beginning January 1, 2026, coverage for inpatient mental health treatment at participating hospitals or other licensed facilities shall comply with specified requirements concerning prior authorization, coverage, and concurrent review. Makes other changes. Further amends the Managed Care Reform and Patient Rights Act. Removes provisions concerning step therapy. Provides that only a clinical peer may make an adverse determination. Sets forth certain requirements for utilization review programs. Provides that no utilization review program or any policy, contract, certificate, evidence of coverage, or formulary shall impose step therapy requirements for any health care service, including prescription drugs. Amends the Health Carrier External Review Act. Requires a health insurance issuer to publish on its public website a list of services for which prior authorization is required. **Effective January** 1. 2025.

	Network Adequacy		week access to reproductive health care. Provides that the Department of Insurance shall consider establishing ratios for reproductive health care physicians or other providers. <i>Effective July 1, 2024, except that certain changes take effect January 1, 2025</i> .		
Health	Insurance Waiver ACA	SB 288 Rezin	Prohibits the State from applying for any federal waiver that would reduce or eliminate any protection or coverage required under the Patient Protection and Affordable Care Act (Affordable Care Act) that was in effect on January 1, 2017, including, but not limited to, any protection for persons with preexisting conditions and coverage for services identified as essential health benefits under the Affordable Care Act. Provides that the State or an agency of the executive branch may apply for such a waiver only if granted authorization by the General Assembly through joint resolution. Amends the Illinois Insurance Code. Prohibits the State from applying for any federal waiver that would permit an individual or group health insurance plan to reduce or eliminate any protection or coverage required under the Affordable Care Act that was in effect on January 1, 2017, including, but not limited to, any protection for persons with preexisting conditions and coverage for services identified as essential health benefits under the Affordable Care Act. Provides that the State or an agency of the executive branch may apply for such a waiver only if granted authorization by the General Assembly through joint resolution. Amends the Illinois Public Aid Code. Prohibits the State or an agency of the executive branch from applying for any federal Medicaid waiver that would result in more restrictive standards, methodologies, procedures, or other requirements than those that were in effect in Illinois as of January 1, 2017 for the Medical Assistance Program, the Children's Health Insurance Program, or any other medical assistance program in Illinois operating under any existing federal waiver authorized by specified provisions of the Social Security Act. Provides that the State or an agency of the executive branch may apply for such a waiver only if granted authorization by the General Assembly through joint resolution. Effective immediately. 			Insurance Code. Provides that any group or individual policy of accident		
			and health insurance or managed care plan amended, delivered,		
			issued, or renewed on or after January 1, 2026 shall offer all reasonably		
			available methods of payment from the insurer or managed care plan,		
			or its contracted vendor, to the contracted health care provider.		
			Provides that an insurer or managed care plan shall not mandate		
			payment by credit card. Provides that if one of the available payment		
			methods has a fee associated with it, the insurer or managed care plan,		
			or its contracted vendor, shall notify the health care provider of certain		
			information and provide the health care provider with instructions on		
			how to select each method. Provides that if a health care provider		
			requests a change in the available payment method, the insurer or		
			managed care plan, or its contracted vendor, shall implement the		
			change to the payment method selected by the health care provider		
			within 30 business days, subject to federal and State verification		
			measures to prevent fraud and abuse. Provides that an insurer or		
			managed care plan shall not use a health care provider's preferred		
			method of payment as a factor when deciding whether to provide		
			credentials to a health care provider. Defines terms. Amends the Health		
			Maintenance Organization Act to make a conforming change.		

Health	Vaccine	SB2744	Amends the State Employees Group Insurance Act of 1971, the	Oppose	SENATE
	Admin. Fee	Fine	Counties Code, the Illinois Municipal Code, the School Code, the Illinois		Assigned to
			Insurance Code, the Health Maintenance Organization Act, and the		Insurance
			Voluntary Health Services Plans Act to provide that a group or		
			individual policy of accident and health insurance or a managed care		
			plan that is amended, delivered, issued, or renewed on or after		
			January 1, 2025 shall provide coverage for vaccine administration fees,		
			regardless of the type of provider that administers the vaccine, without		
			imposing a deductible, coinsurance, copayment, or any other cost-		
			sharing requirement. Provides that the coverage does not apply to the		
			extent such coverage would disqualify a high-deductible health plan		
			from eligibility for a health savings account under the Internal Revenue		
			Code of 1986.		
Health	Adoptee	SB2759	Creates the Adoptee Baseline Medical Testing Act. Requires medical	Oppose	SENATE
	Medical	Hunter	intake forms for services provided by health care providers to include		Assigned to
	Testing		questions concerning the patient's adoption status and, if adopted,		Appropriations
			whether the patient has access to the patient's biological medical		
			history. Provides that, if a patient has indicated on the medical intake		
			form that the patient is adopted and does not have access to the		
			patient's biological medical history, then, upon request by the patient		
			or patient's parent or guardian, the health care provider shall provide		
			no-cost, baseline testing with minimized time-bound restrictions for		
			genetically predisposed conditions or diseases. Provides that if the		
			patient or patient's parent or guardian requests such testing and the		
			health care provider does not have personnel qualified to perform the		
			testing, the health care provider must make a referral to another		
			health care provider that is qualified to perform the testing and that		
			will accept the referral. Subject to appropriation, requires the		
			Department of Public Health, by rule, to create a State-funded system		
			to pay for the baseline testing to the extent that another source does		
			not cover the cost of the testing. Requires the Department of Public		
			Health to develop educational materials and presentations for		
			distribution to health care providers that provide information on the		
			need for access to biological medical history and the detriments of lack		
			of access to biological medical history for adoptees. Provides that the		
			Department of Public Health shall administer and enforce the Act.		

			Amends the Illinois Insurance Code to require coverage for baseline testing for genetically predisposed conditions or diseases if a patient has indicated on a medical intake form that the patient is adopted and does not have access to the patient's biological medical history. Provides that such a policy shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement on the coverage provided. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Medical Assistance Article of the Illinois Public Aid Code.		
Health	Coverage Changes	SB2789 Murphy	Amends the Illinois Insurance Code. Provides that no individual or group policy of accident and health insurance shall amend, deliver, issue, or renew a policy in a way that changes an insured's eligibility or coverage during a contract period. During a contract period, an insured shall have the protection and continuity of his or her providers, his or her medication, his or her covered benefits, and the formulary during the contract period. 			effect on January 1, 2017, including, but not limited to, any protection		
			for persons with preexisting conditions and coverage for services		
			identified as essential health benefits under the Affordable Care Act.		
			Provides that the State or an agency of the executive branch may apply		
			for such a waiver only if granted authorization by the General		
			Assembly through joint resolution. Amends the Illinois Insurance Code.		
			Prohibits the State from applying for any federal waiver that would		
			permit an individual or group health insurance plan to reduce or		
			eliminate any protection or coverage required under the Affordable		
I			Care Act that was in effect on January 1, 2017, including, but not		
			limited to, any protection for persons with preexisting conditions and		
			coverage for services identified as essential health benefits under the		
			Affordable Care Act. Provides that the State or an agency of the		
			executive branch may apply for such a waiver only if granted		
			authorization by the General Assembly through joint resolution.		

			Amends the Illinois Public Aid Code. Prohibits the State or an agency of		
			the executive branch from applying for any federal Medicaid waiver		
			that would result in more restrictive standards, methodologies,		
			procedures, or other requirements than those that were in effect in		
			Illinois as of January 1, 2017 for the Medical Assistance Program, the		
			Children's Health Insurance Program, or any other medical assistance		
			program in Illinois operating under any existing federal waiver		
			authorized by specified provisions of the Social Security Act. Provides		
			that the State or an agency of the executive branch may apply for such		
			a waiver only if granted authorization by the General Assembly		
			through joint resolution. <i>Effective immediately.</i>		
Health	Health Data	SB 3080	Creates the Protect Health Data Privacy Act. Provides that a regulated	Oppose	SENATE
	Privacy Act	Villanueva	entity shall disclose and maintain a health data privacy policy that	' '	Referred to
	,		clearly and conspicuously discloses specified information. Sets forth		Assignments
			provisions concerning health data privacy policies. Provides that a		
			regulated entity shall not collect, share, or store health data, except in		
			specified circumstances. Provides that it is unlawful for any person to		
			sell or offer to sell health data concerning a consumer without first		
			obtaining valid authorization from the consumer. Provides that a valid		
			authorization to sell consumer health data must contain specified		
			information; a copy of the signed valid authorization must be provided		
			to the consumer; and the seller and purchaser of health data must		
			retain a copy of all valid authorizations for sale of health data for 6		
			years after the date of its signature or the date when it was last in		
			effect, whichever is later. Sets forth provisions concerning the consent		
			required for collection, sharing, and storage of health data. Provides		
			that a consumer has the right to withdraw consent from the collection,		
			sharing, sale, or storage of the consumer's health data. Provides that it		
			is unlawful for a regulated entity to engage in discriminatory practices		
			against consumers solely because they have not provided consent to		
			the collection, sharing, sale, or storage of their health data or have		
			exercised any other rights provided by the provisions or guaranteed by		
			law. Sets forth provisions concerning a consumer's right to confirm		
			whether a regulated entity is collecting, selling, sharing, or storing any		
			of the consumer's health data; a consumer's right to have the		
			consumer's health data that is collected by a regulated entity deleted;		

			prohibitions regarding geofencing; and consumer health data security. Provides that any person aggrieved by a violation of the provisions shall have a right of action in a State circuit court or as a supplemental claim in federal district court against an offending party. Provides that the Attorney General may enforce a violation of the provisions as an unlawful practice under the Consumer Fraud and Deceptive Business Practices Act. Defines terms. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.		
Health	Health Care Availability	SB 3108 Koehler	Creates the Health Care Availability and Access Board Act. Establishes the Health Care Availability and Access Board to protect State residents, State and local governments, commercial health plans, health care providers, pharmacies licensed in the State, and other stakeholders within the health care system from the high costs of prescription drug products. Contains provisions concerning Board membership and terms; staff for the Board; Board meetings; circumstances under which Board members must recuse themselves; and other matters. Provides that the Board shall perform the following actions in open session: (i) deliberations on whether to subject a prescription drug product to a cost review; and (ii) any vote on whether to impose an upper payment limit on purchases, payments, and payor reimbursements of prescription drug products in the State. Permits the Board to adopt rules to implement the Act and to enter into a contract with a qualified, independent third party for any service necessary to carry out the powers and duties of the Board. Creates the Health Care Availability and Access Stakeholder Council to provide stakeholder input to assist the Board in making decisions as required by the Act. Contains provisions concerning Council membership, member terms, and other matters. Provides that the Board shall adopt	TBD	SENATE Referred to Assignments
Health	State Based Exchange	SB 3130 Gillespie	the federal Medicare Maximum Fair Price as the upper payment limit for a prescription drug product intended for use by individuals in the State. Requires the Attorney General to enforce the Act. <i>Effective 180 days after becoming law.</i> Amends the Illinois Insurance Code. Provides that beginning with the operation of a State-based exchange in plan year 2026, a pregnant individual has the right to enroll in a qualified health plan through a special enrollment period at any time after a qualified health care	TBD (working with DOI)	SENATE 2 nd Reading

professional certifies that the individual is pregnant. Amends the Illinois Health Insurance Portability and Accountability Act. Provides that notice of a health insurance issuer's election to uniformly modify coverage, uniformly terminate coverage, or discontinue coverage in a marketplace shall be sent by certified mail to the Department of Insurance 45 days (instead of 90 days) in advance of any notification of the company's actions sent to plan sponsors, participants, beneficiaries, and covered individuals. Makes conforming changes. Amends the Managed Care Reform and Patient Rights Act. Makes changes in provisions concerning flat-dollar copayment structures for prescription drug benefits. Amends the Network Adequacy and Transparency Act. Provides that the Act does not apply to an individual or group policy for excepted benefits or short-term, limited-duration health insurance coverage (instead of an individual or group policy for dental or vision insurance or a limited health service organization) with a network plan, except to the extent that federal law establishes network adequacy and transparency standards for stand-alone dental plans, which the Department shall enforce. Provides that if the Centers for Medicare and Medicaid Services establishes minimum provider ratios for stand-alone dental plans in the type of exchange in use in this State for a given plan year, the Department shall enforce those standards for stand-alone dental plans for that plan year. Requires the Department of Insurance to enforce certain appointment wait-time standards, time and distance standards, and other standards if the Centers for Medicare and Medicaid Services establishes those standards for plans in the type of exchange in use in this State. Makes other changes.

SB 3130 (SCA 0001) (REFERRED TO ASSIGNMENTS – TO STAY IN ASSIGNMENTS)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Amends the Department of Insurance Law of the Civil Administrative Code of Illinois. Provides that the Marketplace Director of the Illinois Health Benefits Exchange shall serve for a term of 2 years, and until a successor is appointed and qualified; except that the term of the first Marketplace Director appointed shall expire on the third Monday in January 2027.

Neutral with Amendment #1

Provides that the Marketplace Director may serve for more than one term. Removes language providing that the Marketplace Director may be an existing employee with other duties. Provides that the Marketplace Director shall (instead of shall not) be subject to the Personnel Code. In the Illinois Insurance Code, provides that a pregnant individual has the right to enroll in a qualified health plan through a special enrollment period within 60 days (instead of at any time) after any qualified health care professional certifies that the individual is pregnant. In the Managed Care Reform and Patient Rights Act, provides that each level of coverage that a health insurance carrier offers of a standardized option in each applicable service area shall be deemed to satisfy (instead of shall satisfy) the requirements for a flatdollar copay structure. Amends the Health Maintenance organization Act. Provides that health maintenance organizations shall comply with the Illinois Insurance Code's requirements concerning pregnancy as a qualifying life event. **Effective immediately, except that the changes to** the Network Adequacy and Transparency Act take effect January 1, 2025.

SB 3130 (SFA 0002) (ASSIGNED TO INSURANCE)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Amends the Department of Insurance Law of the Civil Administrative Code of Illinois. Provides that the Marketplace Director of the Illinois Health Benefits Exchange shall serve for a term of 2 years, and until a successor is appointed and qualified; except that the term of the first Marketplace Director appointed shall expire on the third Monday in January 2027. Provides that the Marketplace Director may serve for more than one term. Removes language providing that the Marketplace Director may be an existing employee with other duties. Provides that the Marketplace Director shall (instead of shall not) be subject to the Personnel Code. In the Illinois Insurance Code, provides that a pregnant individual has the right to enroll in a qualified health plan through a special enrollment period within 60 days (instead of at any time) after any qualified health care professional certifies that the individual is pregnant. In the Managed Care Reform and Patient Rights Act, provides that each level of coverage that a health insurance carrier

Neutral with Amendment 2

			offers of a standardized option in each applicable service area shall be deemed to satisfy (instead of shall satisfy) the requirements for a flat-dollar copay structure. Amends the Health Maintenance Organization Act. Provides that health maintenance organizations shall comply with the Illinois Insurance Code's requirements concerning pregnancy as a qualifying life event. Effective immediately, except that the changes to the Network Adequacy and Transparency Act take effect January 1, 2025.		
Health	Pharma Benefit Manager	SB 3179 Harris	Amends the Illinois Insurance Code. Provides that all compensation remitted by or on behalf of a pharmaceutical manufacturer, pharmaceutical developer, or pharmaceutical labeler, directly or indirectly, to a health insurer or to a pharmacy benefit manager under contract with a health insurer that is related to the health insurer's prescription drug benefits must be either remitted directly to the covered person at the point of sale to reduce the out-of-pocket cost to the covered person associated with a particular prescription drug or remitted to and retained by the health insurer. Requires a health insurer to file with the Department of Insurance a report demonstrating the health insurer's compliance with the provisions.	Oppose	SENATE Referred to Assignments
Health	Inhaler Coverage	SB 3203 Hunter	Amends the Illinois Insurance Code. Provides that a health plan shall limit the total amount that a covered person is required to pay for a covered prescription inhaler at an amount not to exceed \$25 per 30-day supply and shall limit the total amount that a covered person is required to pay for all covered prescription inhalers at an amount not to exceed \$50 in total per 30 days. Provides that coverage for prescription inhalers shall not be subject to any deductible. Provides that nothing in the provisions prevents a health plan from reducing a covered person's cost sharing to an amount less than the cap. Authorizes rulemaking and enforcement by the Department of Insurance. <i>Effective January 1, 2025.</i>	Oppose	SENATE 3 rd Reading
			SB 3203 (SCA 0001) (ADOPTED) Replaces everything after the enacting clause. Amends the Illinois Insurance Code. 	Influenza		testing, screening, and treatment (rather than the ordering and administration of tests and screenings) for influenza. Makes conforming changes. <i>Effective January 1, 2025.</i>		Assignments
Health	Continuous Glucose Monitor	SB 3414 Morrison	Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed before January 1, 2025 shall provide coverage for medically necessary continuous glucose monitors for individuals who are diagnosed with any form of diabetes mellitus (instead of type 1 or type 2 diabetes) and require insulin for the management of their diabetes. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 shall provide coverage for continuous glucose monitors, related supplies, and training in the use of continuous glucose monitors for any individual who is diagnosed with diabetes, who requires at least one daily injection or infusion of insulin, and who has been prescribed a continuous glucose monitor by a physician, a certified nurse practitioner, or a physician assistant. Provides that an individual who is diagnosed with diabetes and meets the specified requirements shall not be required to obtain prior authorization for coverage for a continuous glucose monitor, and coverage shall be continuous once the continuous glucose monitor is prescribed. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement on the coverage required under the provisions. Effective July 1, 2024. SB 3414 (SCA 0001) (REFERRED TO ASSIGNMENTS – TO STAY IN ASSIGNMENTS)	Oppose with Amendment #1	SENATE 3 rd Reading

Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed before January 1, 2026 (rather than January 1, 2025) shall provide coverage for medically necessary continuous glucose monitors for individuals who are diagnosed with any form of diabetes mellitus and require insulin for the management of their diabetes. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 shall provide coverage for continuous glucose monitors, related supplies, and training in the use of continuous glucose monitors for any individual if specified requirements are met and the policy is in full alignment with Medicare. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services shall adopt rules to implement the changes made by the amendatory Act. Specifies that the rules shall, at a minimum contain certain provisions concerning the ordering provider, continuous glucose monitors not being required to have certain functionalities, eligibility requirements for a beneficiary, and not requiring prior authorization.

SB 3414 (SCA 0002) (ADOPTED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes that include the following. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed before January 1, 2026 (rather than January 1, 2025) shall provide coverage for medically necessary continuous glucose monitors for individuals who are diagnosed with any form of diabetes mellitus and require insulin for the management of their diabetes. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 shall provide coverage for continuous glucose monitors, related supplies, and training in the use of continuous glucose monitors for any individual if specified requirements are met and the policy is in full alignment with Medicare. Sets forth eligibility requirements and requirements for covered glucose monitors. Provides that the coverage of one glucose monitor shall be provided with a

			deductible, coinsurance, copayment, or any other cost-sharing requirement. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services shall adopt rules to implement the changes made by the amendatory Act. Specifies that the rules shall, at a minimum contain certain provisions concerning the ordering provider, continuous glucose monitors not being required to have certain functionalities, eligibility requirements for a beneficiary, and not requiring prior authorization. Effective July 1, 2024.		
Health	Human Rights/Health Disclosure	SB 3492 Gillespie	Amends the Illinois Human Rights Act. Adds to the definition of unlawful discrimination to include discrimination of reproductive health decisions. Reproductive health decisions mean any decision by a person affecting the use or intended use of health care, goods, or services related to reproductive processes, functions, and systems, including, but not limited to, family planning, pregnancy testing, and contraception; fertility or sterilization care; miscarriage; continuation or termination of pregnancy; prenatal, intranatal, and postnatal care. Provides that discrimination based on reproductive health decisions includes unlawful discrimination against a person because of the person's association with another person's reproductive health decisions. Health	Mobile Integrated Health	SB 3599 Edly-Allen	Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 shall provide coverage for medically necessary services provided by emergency medical services providers operating under a mobile integrated health care model. Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require coverage under those provisions.	Oppose	SENATE 2 nd Reading
Health	Pregnancy/ Postpartum Care	SB 3665 Collins	Amends the Illinois Insurance Code. Provides that insurers shall cover all services for pregnancy, postpartum, and newborn care that are rendered by perinatal doulas or licensed certified professional midwives, including home births, home visits, and support during	Oppose	SENATE Assigned to Insurance

labor, abortion, or miscarriage. Provides that the required coverage includes the necessary equipment and medical supplies for a home birth. Provides that coverage for pregnancy, postpartum, and newborn care shall include home visits by lactation consultants and the purchase of breast pumps and breast pump supplies, including such breast pumps, breast pump supplies, breastfeeding supplies, and feeding aides as recommended by the lactation consultant. Provides that coverage for postpartum services shall apply for at least one year after birth. Provides that certain pregnancy and postpartum coverage shall be provided without cost-sharing requirements. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that the medical assistance program shall cover home visits for lactation counseling and support services. Provides that the medical assistance program shall cover counselor-recommended or provider-recommended breast pumps as well as breast pump supplies, breastfeeding supplies, and feeding aides. Provides that nothing in the provisions shall limit the number of lactation encounters, visits, or services; breast pumps; breast pump supplies; breastfeeding supplies; or feeding aides a beneficiary is entitled to receive under the program. Makes other changes. Effective January 1, 2026.

SB 3665 (SCA 0001) (ASSIGNED TO INSURANCE)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1,

Oppose with Amendment #1

2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

SB 3665 (SCA 0002) (ASSIGNED TO INSURANCE)

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other costsharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

SB 3665 (SCA 0003) (ASSIGNED TO INSURANCE)

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other costsharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

			law or by the federal Centers for Medicare and Medicaid Services.		
			Makes changes to provisions concerning network adequacy, notice of		
			nonrenewal or termination, transition of services, network		
			transparency, administration and enforcement, provider requirements,		
			and provider directory information. Amends the Managed Care Reform		
			and Patient Rights Act. Makes changes to provisions concerning notice		
			of nonrenewal or termination and transition of services. Amends the		
			Illinois Administrative Procedure Act to authorize the Department of		
			Insurance to adopt emergency rules implementing federal standards		
			for provider ratios, time and distance, or appointment wait times when		

such standards apply to health insurance coverage regulated by the Department of Insurance and are more stringent than the State standards extant at the time the final federal standards are published. Amends the Illinois Administrative Procedure Act to make a conforming change. *Effective immediately.*

SB 3739 (SCA 0001) ((REFERRED TO ASSIGNMENTS – TO STAY IN ASSIGNMENTS)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the amendatory Act may be referred to as the Health Care Consumer Access and Protection Act. Amends the Illinois Insurance Code. Provides that, unless prohibited under federal law, for plan year 2026 and thereafter, for each insurer proposing to offer a qualified health plan issued in the individual market through the Illinois Health Benefits Exchange, the insurer's rate filing must apply a cost-sharing reduction defunding adjustment factor within a range that is uniform across all insurers; is consistent with the total adjustment expected to be needed to cover actual cost-sharing reduction costs across all silver plans on the Illinois Health Benefits Exchange statewide; and makes certain assumptions. Provides that the rate filing must apply an induced demand factor based on a specified formula. Provides that certain provisions concerning filing of premium rates for group accident and health insurance for approval by the Department of Insurance do not apply to group policies issued to large employers. Removes language providing that certain provisions do not apply to the large group market. Provides that for large employer group policies issued, delivered, amended, or renewed on or after January 1, 2026, the premium rates and risk classifications must be filed with the Department annually for approval. Amends the Limited Health Service Organization Act to provide that pharmaceutical policies are subject to the provisions of the amendatory Act. Sets forth provisions concerning short-term, limited-duration insurance. Provides that no company shall issue, deliver, amend, or renew short-term, limited-duration insurance. Provides that the Department may adopt rules as deemed necessary that prescribe specific standards for or restrictions on policy provisions, benefit design, disclosures, and sales and marketing practices for

Oppose with Amendment #1

			excepted benefits. Provides that the Director of Insurance's authority under specified provisions is extended to group and blanket excepted benefits. Makes conforming changes in the Health Maintenance Organization Act. Repeals the Short-Term, Limited-Duration Health Insurance Coverage Act. Provides that no later than July 1, 2025, insurance companies that use a drug formulary shall post the formulary on their websites. Makes changes concerning utilization reviews and step therapy requirements. Provides that beginning January 1, 2026, coverage for inpatient mental health treatment at participating hospitals or other licensed facilities shall comply with specified requirements concerning prior authorization, coverage, and concurrent review. Makes other changes. Further amends the Managed Care Reform and Patient Rights Act. Removes provisions concerning step therapy. Provides that only a clinical peer may make an adverse determination. Sets forth certain requirements for utilization review programs. Provides that no utilization review program or any policy, contract, certificate, evidence of coverage, or formulary shall impose step therapy requirements for any health care service, including prescription drugs. Amends the Health Carrier External Review Act. Requires a health insurance issuer to publish on its public website a list of services for which prior authorization is required. Effective January		
Health	Prior Auth Substance Use	SB 3741 Morrison	Amends the Illinois Insurance Code. In provisions prohibiting certain individual or group health benefit plans from imposing prior authorization requirements on medications prescribed or administered for the treatment of substance use disorder, provides that the prohibition includes limitations on dosage. Makes similar changes in the Medical Assistance Article of the Illinois Public Aid Code. Effective immediately.	Oppose	SENATE 3 rd Reading
Health	Non Participating Providers	SB 3778 Collins	Amends the Illinois Insurance Code. Monitor	SENATE Referred to Assignments

Health	Nonopioid	SB 3781	Creates the Nonopioid Alternatives for Pain Act. Requires the	Oppose	SENATE
	Alternatives	Villa	Department of Public Health to develop and publish an educational		Referred to
	Act		pamphlet regarding the use of nonopioid alternatives for pain		Assignments
			treatment. Provides that a health care practitioner shall exercise		
			professional judgment in selecting appropriate treatment modalities		
			for pain in accordance with specified Centers for Disease Control and		
			Prevention guidelines, including the use of nonopioid alternatives		
			whenever nonopioid alternatives exist. Requires a health care		
			practitioner who prescribes an opioid drug to provide certain		
			information to the patient, discuss certain topics, and document the		
			reasons for the prescription. Requires the Department to develop a		
			nonopioid directive form for patients. Sets forth provisions concerning		
			exceptions, execution of a nonopioid directive, opioid administration		
			to a patient with a nonopioid directive, and limitations of liability.		
			Amends the Illinois Insurance Code. Provides that when a licensed		
			health care practitioner prescribes a nonopioid medication for the		
			treatment of acute pain, it shall be unlawful for a health insurance		
			issuer to deny coverage of the nonopioid prescription drug in favor of		
			an opioid prescription drug or to require the patient to try an opioid		
			prescription drug before providing coverage. Provides that in		
			establishing and maintaining its drug formulary, a health insurance		
			issuer shall ensure that no nonopioid drug approved by the Food and		
			Drug Administration for the treatment or management of pain shall be		
			disadvantaged or discouraged, with respect to coverage or cost		
			sharing, relative to any opioid or narcotic drug for the treatment or		
			management of pain. Amends the Medical Assistance Article of the		
			Illinois Public Aid Code. Provides that whenever a licensed health care		
			practitioner prescribes a nonopioid medication for the treatment of		
			acute pain, neither the Department of Healthcare and Family Services		
			nor a managed care organization shall deny coverage of the nonopioid		
			prescription drug in favor of an opioid prescription drug or require a		
			patient to try an opioid prescription drug prior to providing coverage of		
			the nonopioid prescription drug. Makes other changes.
