Health	Consumer Health Care Access Liaison	HB 0440 (HFA 0001) Morgan	**Amendment - (RE-REFERRED TO RULES)** *Replaces everything after the enacting clause. Amends the Department of Insurance Law of the Civil Administrative Code of Illinois. Provides that the Governor, with the advice and consent of the Senate, shall appoint a person within the Department of Insurance to serve as the Consumer Health Care Access Liaison for the State of Illinois. Provides that the Consumer Health Care Access Liaison shall receive an annual salary as set by the Governor and beginning July 1, 2023 shall be compensated from appropriations made for this purpose. Provides that the person appointed Consumer Health Care Access Liaison may be an existing employee with other duties. Provides that the Consumer Health Care Access Liaison shall have authority to oversee and direct functions at other State agencies related to network adequacy issues in Illinois, including, but not limited to, the Department of Public Health, the Department of Financial and Professional Regulation, and the Department of Healthcare and Family Services. Makes a conforming change in the Network Adequacy and Transparency Act.* ***Effective immediately.***	Monitor	HOUSE Re-Referred to Rules
All	Paid Family Leave	HB 1006 Flowers	Creates the Paid Family Leave Act. Requires private employers with 50 or more employees to provide 6 weeks of paid leave to an employee who takes leave: (1) because of the birth of a child of the employee and in order to care for the child; (2) to care for a newly adopted child under 18 years of age or a newly placed foster child under 18 years of age or a newly adopted or newly placed foster child older than 18 years of age if the child is incapable of self-care because of a mental or physical disability; or (3) to care for a family member with a serious health condition. Provides that paid family leave shall be provided irrespective of the employer's leave policies; and shall be provided to an employee who has been employed by the employer for at least one year. Permits employees to voluntarily waive paid family leave.	Monitor	HOUSE Referred to Rules

			Provides that the Department of Labor may adopt any rules necessary to implement the Act.		
Life	Wage Insurance Act	HB 1014 Flowers	Requires the Department of Employment Security to establish a Wage Insurance Program. Provides that an individual is eligible for wage insurance benefits if the individual is a claimant under the Unemployment Insurance Act at the time the individual obtains reemployment and is not employed by the employer from which the individual was last separated. Provides that benefits shall be paid in an amount sufficient to pay the difference between the wage received by the individual at the time of separation and the wages received by the individual from reemployment. Imposes a 0.4% payroll tax on employees beginning January 1, 2024. Provides that claims for wage insurance benefits may be filed beginning June 1, 2024. Contains provisions concerning the recovery of erroneous payments; hearings; civil penalties; unpaid taxes; rules; and other matters. Creates the Wage Insurance Fund as a special fund in the State treasury. Amends the State Finance Act to include the Wage Insurance Fund. Amends the Freedom of Information Act. Exempts from inspection and copying information that is exempt from disclosure under the Wage Insurance Act.	Monitor	HOUSE Referred to Rules
Health	Wholesale Acquisition Cost	HB 1034 Flowers	Provides that the amendatory provisions apply to any manufacturer of a prescription drug that is purchased or reimbursed by specified parties. Provides that a manufacturer of a prescription drug with a wholesale acquisition cost of more than $40 for a course of therapy shall notify specified parties if the increase in the wholesale acquisition cost of the prescription drug is more than 10%, including the proposed increase and cumulative increase. Provides that the notice of price increase shall be provided in writing at least 60 days prior to the planned date of the increase. Provides that no later than 30 days after notification of a price increase or new prescription drug the manufacturer shall report specified additional information to specified parties. Provides that a manufacturer of a prescription drug shall provide written notice if the manufacturer is introducing a new prescription drug to market at a wholesale acquisition cost that exceeds a specified threshold. Provides that failure to provide notice under the amendatory	Monitor	HOUSE Referred to Rules

			provisions shall result in a civil penalty of $10,000 per day for every day after the notification period that the manufacturer fails to report the information. Requires the Department of Public Health to conduct an annual public hearing on the aggregate trends in prescription drug pricing. Requires the Department to publish on its website a report detailing findings from the public hearing and a summary of details from reports provided under the amendatory provisions, except for information identified as a trade secret or exempted under the Freedom of Information Act. Provides that the amendatory provisions shall not restrict the legal ability of a pharmaceutical manufacturer to change prices as permitted under federal law.		
Health	Defined Cost Sharing Rx Drugs (Rebates)	HB 1054 Mayfield	Provides that a group or individual policy of accident and health insurance amended, delivered, issued, or renewed on or after January 1, 2024 that provides coverage for prescription drugs shall require that a covered individual's defined cost sharing for each prescription drug shall be calculated at the point of sale based on a price that is reduced by an amount equal to at least 100% of all rebates received in connection with the dispensation or administration of the prescription drug. Provides that an insurer shall apply any rebate amount in excess of the defined cost sharing amount to the health plan to reduce premiums. Provides that the provisions shall not preclude an insurer from decreasing a covered individual's defined cost sharing by an amount greater than the stated amount at the point of sale.	Oppose	HOUSE Re-Referred to Rules
Life	Credit Information Prohibition	HB 1059 Mayfield	Amends the Use of Credit Information in Personal Insurance Act. Provides that, notwithstanding any other law, an insurer authorized to do business in the State may not use the credit information of an applicant or a policyholder as a factor to determine insurance rates for any private passenger automobile insurance policy that is amended, delivered, issued, or renewed on or after the effective date of the amendatory Act. Health	Health Care For All	HB 1094 Flowers	Creates the Health Care for All Illinois Act. Provides that all individuals residing in this State are covered under the Illinois Health Services Program for health insurance. Sets forth requirements and qualifications of participating health care providers. Sets forth the specific standards for provider reimbursement. Provides that it is unlawful for private health insurers to sell health insurance coverage that duplicates the coverage of the program. Requires the State to establish the Illinois	Oppose	HOUSE Re-Referred to Rules

			Health Services Trust to provide financing for the program. Sets forth the specific requirements for claims billed under the program. Provides that the program shall include funding for long-term care services and mental health services. Creates the Pharmaceutical and Durable Medical Goods Committee to negotiate the prices of pharmaceuticals and durable medical goods with suppliers or manufacturers on an open bid competitive basis. Provides that patients in the program shall have the same rights and privacy as they are entitled to under current State and federal law. Provides that the Commissioner, the Chief Medical Officer, the public State board members, and employees of the program shall be compensated in accordance with the current pay scale for State employees and as deemed professionally appropriate by the General Assembly. ***Effective July 1, 2023.***		
Life	Family Leave Insurance Act	HB 1102 Flowers	Creates the Family Leave Insurance Act. Requires the Department of Employment Security to establish and administer a family leave insurance program. Provides family leave insurance benefits to eligible employees who take unpaid family leave to care for a newborn child, a newly adopted or newly placed foster child, or a family member with a serious health condition. Authorizes family leave of up to 12 weeks during any 24-month period. Authorizes compensation for leave in the amount of 85% of the employee's average weekly wage subject to a maximum of $881 per week. Contains provisions concerning disqualification from benefits; premium payments; the amount and duration of benefits; the recovery of erroneous payments; hearings; defaulted premium payments; elective coverage; employment protection; coordination of family leave; defined terms; and other matters. HB 1102 (HCA 1)**(RE-REFERRED TO RULES)** *Replaces everything after the enacting clause. Changes the name of the Act to the Family Leave Insurance Program Act. Provides that a self-employed individual may elect to be covered under this Act. Provides that the self-employed individual must file a notice of election in writing with the Department of Employment Security and contribute to the State Benefit Fund. Provides that an employer may apply to the Department for approval of an employer-offered benefit plan that provides*	Monitor (opportunity for insurance product NCOIL language) Monitor	HOUSE Re-Referred to Rules

			family and medical leave insurance benefits to the employer's employees. Provides that if spouses who are entitled to leave under this Act are employed by the same employer, the employer may require that the spouses not take more than 6 weeks of such leave concurrently. Makes other changes. Defines terms. ***Effective immediately, except that provisions concerning the State Benefits Fund take effect June 1, 2024 and provisions concerning the amount and duration of paid family leave take effect June 1, 2025.***		
Health	State Based Exchange	HB 1229 Jones	Amends the Illinois Health Benefits Exchange Law. Provides that the Department of Insurance has the authority to operate the Illinois Health Benefits Exchange. Provides that the Director of Insurance may require plans in the individual market to be made available for comparison on the exchange, but may not require all plans be purchased exclusively on the exchange. Provides that the Director may require that plans offered on the exchange conform with standardized plan designs. Provides that the Director may apply a monthly assessment to each health benefits plan sold in the Illinois Health Benefits Exchange according to specified rates. Provides that the Director shall establish an advisory committee to provide advice to the Director concerning the operation of the exchange and that the advisory committee shall include specified members. Provides that the Department shall also have the authority to coordinate the operations of the exchange with the operations of the State Medicaid program and the FamilyCare Program to determine eligibility for those programs as soon as practicable. Provides that the Department shall adopt rules. Removes provisions concerning small employer health insurance coverage and markets. Makes other changes. ***Effective January 1, 2024***	Oppose This is not the Administration's State Based Exchange Bill	HOUSE Re-Referred to Rules
All	Plan of Operation Life/Health Insurance Guaranty Fund	HB 1233 Jones	Amends the Illinois Life and Health Insurance Guaranty Association Law of the Illinois Insurance Code. Health	Health Plan Benefit Data	HB 1348 Collins	Provides that no later than July 1, 2024, each health plan and pharmacy benefit manager operating in this State shall, upon request of a	Oppose	HOUSE

			covered individual, his or her health care provider, or an authorized third party on his or her behalf, furnish specified cost, benefit, and coverage data to the covered individual, his or her health care provider, or the third party of his or her choosing and shall ensure that the data is: (1) current no later than one business day after any change is made; (2) provided in real time; and (3) in a format that is easily accessible to the covered individual or, in the case of his or her health care provider, through an electronic health records system.		Re-Referred to Rules
All	Right to Know Act	HB 1381 Buckner	Provides that an operator of a commercial website or online service that collects personally identifiable information through the Internet about individual customers residing in Illinois who use or visit its commercial website or online service shall notify those customers of certain specified information pertaining to its personal information sharing practices. Requires an operator to make available certain specified information upon disclosing a customer's personal information to a third party, and to provide an e-mail address or toll-free telephone number whereby customers may request or obtain that information. Provides for a data protection safety plan. Provides for a right of action to customers whose rights are violated under the Act. Provides that any waiver of the provisions of the Act or any agreement that does not comply with the applicable provisions of the Act shall be void and unenforceable. Provides that no provision of the Act shall be construed to conflict with or apply to certain specified provisions of federal law or certain interactions with State or local government.	Monitor	HOUSE Re-Referred to Rules
Health	Family Care Plans For Infants	HB 1468 Ford	Requires the Department of Public Health, in consultation with specified agencies and entities, to develop guidelines for hospitals, birthing centers, medical providers, Medicaid managed care organizations, and private insurers on how to conduct a family needs assessment and create a family care plan for an infant who may exhibit clinical signs of withdrawal from a controlled substance or medication. Requires an infant's family care plan to include a family needs assessment performed by a social worker or any other appropriate and trained individual or agency.	Monitor	HOUSE Referred to Family Preservation Subcommittee

			HB 1468 (HCA 0001) **(REFERRED TO FAMILY PRESERVATION SUB-COMMITTEE)** *Replaces everything after the enacting clause. Creates the Family Recovery Plans Implementation Task Force Act. Provides that it is the intent of the General Assembly to require a coordinated, public health, and service-integrated response by various agencies within the State's health and child welfare systems to address the substance use treatment needs of infants born with prenatal substance exposure, as well as the treatment needs of their caregivers and families, by requiring the development, provision, and monitoring of family recovery plans. Creates the Family Recovery Plan Implementation Task Force within the Department of Human Services to review models of family recovery plans that have been implemented in other states; review research regarding implementation of family recovery plans care; and develop recommendations regarding the implementation of a family recovery plan model in Illinois, including developing an implementation plan and identifying any necessary policy, rule, or statutory changes. Contains provisions concerning the composition of the Task Force; meetings; co-chairs; administrative support; and reporting requirements. Provides that the Task Force is dissolved, and the Act is repealed, on January 1, 2027. Amends the Abused and Neglected Child Reporting Act. Requires the Department of Children and Family Services to develop a standardized CAPTA notification form that is separate and distinct from the form for written confirmation reports of child abuse or neglect. Defines "CAPTA notification" to mean notification to the Department of an infant who has been born and identified as affected by prenatal substance exposure or a fetal alcohol spectrum disorder as required under the federal Child Abuse Prevention and Treatment Act. Provides that a CAPTA notification shall not be treated as a report of suspected child abuse or neglect, shall not be recorded in the State Central Registry, and shall not be discoverable or admissible as evidence in any proceeding pursuant to the Juvenile Court Act of 1987 or the Adoption Act unless the named party waives his or her right to confidentiality in writing. Repeals a provision requiring the Department of Children and*	Monitor with Amendment #1	

			Family Services to report to the State's Attorney whenever the Department receives a report that a newborn infant's blood contains a controlled substance. Amends the Juvenile Court Act of 1987. Removes newborn infants whose blood, urine, or meconium contains any amount of a controlled substance from the list of children presumed neglected or abused under the Act. In a provision listing the types of evidence that constitutes prima facie evidence of neglect, removes from the list: (i) proof that a minor has a medical diagnosis of fetal alcohol syndrome; (ii) proof that a minor has a medical diagnosis at birth of withdrawal symptoms from narcotics or barbiturates; and (iii) proof that a newborn infant's blood, urine, or meconium contains any amount of a controlled substance. Amends the Adoption Act. In the definition of "unfit parent", removes language providing that there is a rebuttable presumption that a parent who gives birth is unfit if a test result confirms that at birth the child's blood, urine, or meconium contained any amount of a controlled substance. Removes language providing that a parent is unfit if there is a finding that at birth the child's blood, urine, or meconium contained any amount of a controlled substance and that the biological mother of the child is the biological mother of at least one other child who was adjudicated a neglected minor by a court in accordance with the Juvenile Court Act of 1987. ***Effective immediately.***		
Life	Family Medical Leave Act	HB 1530 Harper	Requires the Department of Employment Security to establish and administer a Family and Medical Leave Insurance Program that provides family and medical leave insurance benefits to eligible employees. Sets forth eligibility requirements for benefits under the Act. 			prescription drug products in the State. Permits the Board to adopt rules to implement the Act and to enter into a contract with a qualified, independent third party for any service necessary to carry out the powers and duties of the Board. Creates the Health Care Availability and Access Stakeholder Council to provide stakeholder input to assist the Board in making decisions as required by the Act. Contains provisions concerning Council membership, member terms, and other matters. Provides that the Board shall adopt the federal Medicare Maximum Fair Price as the upper payment limit for a prescription drug product intended for use by individuals in the State. Requires the Attorney General to enforce the Act***. Effective 180 days after becoming law.*** HB 4472 (HCA 0001) **(REFERRED TO HEALTH CARE AVAILABILITY & ACCESS)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that, of the 5 members that the Governor shall appoint to the Health Care Availability and Access Stakeholder Council, 2 shall represent health care providers, 2 shall represent patients and health care consumers, and one shall be a patient living with a rare disease or current or former caregiver of a patient living with a rare disease. Provides that the Health Care Availability and Access Board shall consider research and development costs of a manufacturer of a drug and the extent to which the manufacturer has recouped research and development costs when considering whether to conduct a full affordability review of a drug. In language providing that the Board may not use cost-effectiveness analyses that include the cost-per-quality adjusted life year or a similar measure to identify subpopulations for which a treatment would be less cost-effective due to severity of illness, age, or preexisting disability in determining whether a drug creates an affordability challenge or determining an upper payment limit amount, provides that the restrictions apply whether or not the Board directly uses such a cost-effectiveness analysis or indirectly uses the analysis through a contracted entity or other third-party. Provides that the upper payment limit shall not be inclusive*	Oppose with Amendment #1	

			of the pharmacy dispensing fee, provider administration fee, or add-on fee for provider-administered drugs (rather than the pharmacy dispensing fee or the provider administration fee). Provides that a health plan that generates savings as a result of an upper payment limit shall pass the savings on to reduce costs to consumers, prioritizing the reduction of out-of-pocket costs for prescription drugs. Provides that each health plan shall submit to the Board an annual report describing the savings achieved as a result of implementing upper payment limits and how the savings were used to reduce costs to consumers. Makes other changes. ***Effective immediately.*** HB 4472 (HCA 0002) **(REFERRED TO HEALTH CARE AVAILABILITY & ACCESS)** *In provisions requiring the Health Care Availability and Access Board to examine how an upper payment limit would affect a covered entity, provides that the upper payment limit shall not be inclusive of the pharmacy dispensing fee, provider administration fee, or any additional payment amount made by a payor to a provider for the drug product related to the provider's procurement, handling, storage, or other activity facilitating administration of the drug product (rather than the upper payment limit shall not be inclusive of the pharmacy dispensing fee, provider administration fee, or add-on fee for provider-administered drugs). Provides that the additional payment amount may be reflected in the payor's fee schedule, provider contract, or any other agreement governing reimbursement of the drug product and associated services.*	Oppose with Amendment #2	
Health	Behavioral Health	HB4475 LaPointe	Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of	Oppose	HOUSE 2nd Reading

			their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. ***Effective immediately*** HB 4475 (HCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy*	Oppose with Amendment #1	

			billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. Amends the Health Maintenance Organization Act to require health maintenance organizations to comply with the provisions of the Illinois Insurance Code added by the amendatory Act. ***Effective immediately.***		
Health	Provider Non-Discrimination	HB4477 Schmidt	Amends the Illinois Insurance Code. Provides that a group health plan or an accident and health insurer offering group or individual health insurance coverage shall not discriminate with respect to participation under the plan or coverage against any health care provider who is acting within the scope of that provider's license or certification under applicable State law. Provides that nothing in the provisions shall be construed as preventing a group health plan, an accident and health insurer, or the Director of Insurance from establishing varying reimbursement rates based on quality or performance measures	Oppose	HOUSE Assigned to Insurance (Main Subcommittee)
Health	Inhaler Coverage	HB4504 Dias	Amends the Illinois Insurance Code. Provides that a health plan shall limit the total amount that a covered person is required to pay for a covered prescription inhaler at an amount not to exceed $25 per 30-day supply and shall limit the total amount that a covered person is required to pay for all covered prescription inhalers at an amount not to exceed $50 in total per 30 days. Provides that coverage for prescription inhalers shall not be subject to any deductible. Provides that nothing in the provisions prevents a health plan from reducing a covered person's cost sharing to an amount less than the cap. Authorizes rulemaking and enforcement by the Department of Insurance. ***Effective January 1, 2025.*** HB 4504 (HCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed on or before December 31, 2025 that provides coverage for prescription drugs may not deny or limit coverage for prescription inhalers (instead of prescription inhalants) based upon any restriction on*	Oppose Neutral with Amendment #1	HOUSE 2nd Reading

			the number of days before an inhaler refill may be obtained if, contrary to those restrictions, the inhalants have been ordered or prescribed by the treating physician and are medically appropriate. Provides that a group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed on or after January 1, 2026 that provides coverage for prescription drugs shall limit the total amount that a covered person is required to pay for a covered prescription inhaler to an amount not to exceed $25 dollars per 30-day supply, and provides that nothing in the provisions prevents a group or individual policy of accident and health insurance or managed care plan from reducing a covered person's cost sharing to an amount less than the cap. Makes a conforming change. Provides that coverage for prescription inhalers shall not be subject to any deductible, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account. Authorizes rulemaking and enforcement by the Department of Insurance. Amends the State Employees Group Insurance Act of 1971. Provides that the program of health benefits shall provide coverage for prescription inhalers under the Insurance Code.		
All	Pet Insurance	HB4532 Mason	Amends the Illinois Insurance Code. Creates the Pet Insurance Article of the Code. Defines terms. Requires a pet insurer to disclose coverage exclusions, limitations, waiting periods, and other information. Provides that pet insurance applicants shall have the right to examine and return the policy, certificate, or rider to the company or an agent or insurance producer of the company within 30 days of its receipt and to have the premium refunded if, after examination of the policy, certificate, or rider, the applicant is not satisfied for any reason. Provides that a pet insurer may issue policies that exclude coverage on the basis of one or more preexisting conditions with appropriate disclosure to the consumer. Provides that a pet insurer may issue policies that impose waiting periods upon effectuation of the policy that do not exceed 30 days for illnesses or orthopedic conditions not resulting from an accident. Prohibits waiting periods for accidents. Provides that no pet insurer or insurance producer shall market a wellness program as	Monitor	HOUSE Assigned to Insurance (Main Subcommittee)

			pet insurance. Sets forth provisions concerning wellness programs sold by a pet insurer or insurance producer.		
Health	Pharmacy Benefits Manager	HB4548 Jones	Amends the Illinois Insurance Code. Defines "health benefit plan" and other terms. Provides that a pharmacy benefit manager or an affiliate acting on the pharmacy benefit manager's behalf is prohibited from conducting spread pricing, from steering a covered individual, and from limiting a covered individual's access to prescription drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by unreasonably designating the covered prescription drugs as a specialty drug. Provides that a pharmacy benefit manager or an affiliate acting on the pharmacy benefit manager's behalf must remit 100% of rebates and fees to the health benefit plan sponsor, consumer, or employer. Provides that a pharmacy benefit manager may not reimburse a pharmacy or pharmacist for a prescription drug or pharmacy service in an amount less than the national average drug acquisition cost for the prescription drug or pharmacy service at the time the drug is administered or dispensed, plus a professional dispensing fee. Provides that a contract between a pharmacy benefit manager and an insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its contracted party to a health benefit plan. Provides that provisions concerning pharmacy benefit manager contracts apply to any health benefit plan (instead of any group or individual policy of accident and health insurance or managed care plan) that provides coverage for prescription drugs and that is amended, delivered, issued, or renewed on or after July 1, 2020. Requires a pharmacy benefit manager to submit an annual report that includes specified Information concerning prescription drugs. Makes other changes. Amends the Freedom of Information Act to make a conforming change. ***Effective July 1, 2024.***	Oppose	HOUSE 2nd Reading

			HB 4548 (HCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that "rebate aggregator" means a "person or entity that negotiates rebates, discounts, or other fees attributable to usage by covered individuals (instead of negotiates rebates) with drug manufacturers on behalf of pharmacy benefit managers or their clients and may also be involved in contracts that entitle the rebate aggregator or its client to receive rebates, discounts, or other fees attributable to usage (instead of receive rebates) by covered individuals from drug manufacturers based on drug utilization or administration. Provides that the annual report by a pharmacy benefit manager that provides services for a health benefit plan must include the net cost of the drugs covered by the health benefit plan. Excludes Medicaid managed care organizations and employee welfare benefit plans subject to the federal Employee Retirement Income Security Act of 1974 from the definitions of "health benefit plan", "pharmacy benefit manager", and "third-party payer". **Effective July 1, 2024.***	Oppose with Amendment #1	
Health	Cancer Genetic Testing	HB4562 Lilly	Amends the Illinois Insurance Code. Defines terms. Provides that a group policy of accident and health insurance that provides coverage for hospital or medical treatment or services for illness on an expense-incurred basis and that is amended, delivered, issued, or renewed after January 1, 2025 shall provide coverage, without imposing any cost-sharing requirement, for clinical genetic testing for an inherited gene mutation for individuals with a personal or family history of cancer that is recommended by a health care professional; and evidence-based cancer imaging for individuals with an increased risk of cancer as recommended by National Comprehensive Cancer Network clinical practice guidelines. Provides that the requirements do not apply to coverage of genetic testing or evidence-based cancer imaging to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account pursuant to the Internal Revenue Code.	Oppose	HOUSE 2nd Reading

			HB 4562 (HCA 0001) **(TABLED)** *Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that a group policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed after January 1, 2026 shall provide coverage, without imposing a deductible, coinsurance, copayment, or any other cost-sharing requirement, for clinical genetic testing for an inherited gene mutation for individuals with a personal or family history of cancer as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines. Provides that for individuals with a genetic test that is positive for an inherited mutation associated with an increased risk of cancer, coverage shall include any cancer risk management strategy as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines to the extent that the management recommendation is not already covered by the policy. Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, and the Voluntary Health Services Plans Act to make a conforming change.*	Oppose with Amendment #1	
ALL	Insurance Automobile	HB 4611 Jones	Amends the Illinois Insurance Code. Provides that an insurer shall not, with regard to any motor vehicle liability insurance practice, (i) unfairly discriminate based on age, race, color, national or ethnic origin, immigration or citizenship status, sex, sexual orientation, disability, gender identity, or gender expression or (ii) use any external consumer data and information sources in a way that unfairly discriminates based on age, race, color, national or ethnic origin, immigration or citizenship status, sex, sexual orientation, disability, gender identity, or gender expression. Allows the Department of Insurance to examine and investigate an insurer's use of external consumer data and information sources, algorithms, or predictive models in any motor vehicle liability insurance practice. Specifies that the provisions shall not be construed to require an insurer to collect consumer's demographic data, to prohibit the use of a driver's history that has a direct relationship with risk, or to prohibit the use of or require testing of longstanding and well-	Oppose	HOUSE 2nd Reading

			established common industry practices in settling claims or traditional underwriting practices. Prohibits an insurer from canceling, refusing to renew, or increasing the premium for any policy of automobile insurance solely because an insured person has reached the age of 65 years if the insured has a valid Illinois driver's license. Defines terms.		
All	Consumer Fraud & Deceptive Practices	HB 4629 ~~Kifowit~~ Morgan	Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that it is an unlawful practice within the meaning of the Act for a person to advertise, display, or offer a price for goods or services that does not include all mandatory fees and charges other than: (1) taxes or fees imposed by a unit of government on the transaction; and (2) postage or carriage charges that will be reasonably and actually incurred to ship the physical goods to the consumer. Provides that specified transactions are excluded from the provision. HB 4629 (HCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that it is an unlawful practice under the Act for a person to: (1) offer, display, or advertise an amount a consumer may pay for merchandise without clearly and conspicuously disclosing the total price; (2) fail, in any offer, display, or advertisement that contains an amount a consumer may pay, to display the total price more prominently than any other pricing information; (3) misrepresent the nature and purpose of any amount a consumer may pay, including the ability to refund the fees and the identity of any merchandise for which fees are charged; or (4) fail to disclose clearly and conspicuously before the consumer consents to pay, the nature and purpose of any amount a consumer may pay that is excluded from the total price, including the ability to refund the fees and the identity of any merchandise for which fees are charged.*	Oppose (no exemption for insurance) Neutral with Amendment #1	HOUSE 2nd Reading

			same rate that would apply if those health care services were provided in a different health care setting.		
All	Motor Vehicle Rates	HB 4767 Guzzardi	Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Motor Vehicle Insurance Fairness Act. Provides that no insurer shall refuse to issue or renew a policy of automobile insurance based in whole or in part on specified prohibited underwriting or rating factors. Sets forth factors that are prohibited with respect to underwriting and rating a policy of automobile insurance. Sets forth provisions concerning the use of territorial factors. Provides that every insurer selling a policy of automobile insurance in the State shall demonstrate that its marketing, underwriting, rating, claims handling, fraud investigations, and any algorithm or model used for those business practices do not disparately impact any group of customers based on race, color, national or ethnic origin, religion, sex, sexual orientation, disability, gender identity, or gender expression. Provides that no rate shall be approved or remain in effect that is excessive, inadequate, unfairly discriminatory, or otherwise in violation of the provisions. Provides that every insurer that desires to change any rate shall file a complete rate application with the Director of Insurance. Provides that all information provided to the Director under the provisions shall be available for public inspection. Provides that any person may initiate or intervene in any proceeding permitted or established under the provisions and challenge any action of the Director under the provisions. Provides that the Department of Insurance shall adopt rules. Provides that all insurers subject to the provisions shall be assessed a fee of 0.05% of their total earned premium from the prior calendar year, and that the fee shall be payable to the Department no later than July 1 of each calendar year and shall be used by the Department to implement the provisions. Health	Dental Loss Ratio	HB 4780 Gershowitz	Creates the Dental Loss Ratio Act. Sets forth provisions concerning dental loss ratio reporting. Provides that a health insurer or dental plan carrier that issues, sells, renews, or offers a specialized health insurance policy covering dental services shall, beginning January 1, 2025, annually submit to the Department of Insurance a dental loss ratio	Oppose	HOUSE Assigned to Insurance (Main Subcommittee)

			filing. Provides a formula for calculating minimum dental loss ratios. Sets forth provisions concerning minimum dental loss ratio requirements. Provides that the Department may adopt rules to implement the Act. Provides that the Act does not apply to an insurance policy issued, sold, renewed, or offered for health care services or coverage provided as a function of the State of Illinois Medicaid coverage for children or adults or disability insurance for covered benefits in the single specialized area of dental-only health care that pays benefits on a fixed benefit, cash payment-only basis. Defines terms. ***Effective January 1, 2025.***		
Health	Dental Pre - Authorization	HB 4789 Morgan	Amends the Illinois Insurance Code. Provides that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Provides that a dental service contractor shall not recoup a claim solely due to a loss of coverage for a patient or ineligibility if, at the time of treatment, the dental service contractor erroneously confirmed coverage and eligibility, but had sufficient information available to the dental service contractor indicating that the patient was no longer covered or was ineligible for coverage. Prohibits waiver of the provisions by contract. HB 4789 (HCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change in the definition of "prior authorization". Defines "dental carrier" as an insurer, dental service corporation, insurance network leasing company, or any company that offers individual or group policies of accident and health insurance that provide coverage for dental services. Changes references from "dental service contractor" and "insurer" to "dental carrier". Provides that beginning on the effective date of the amendatory Act, a dental carrier shall not deny any claim subsequently submitted for procedures specifically included in a prior authorization unless*	TBD Neutral with Amendment #1	HOUSE 2nd Reading

			certain circumstances apply. Removes language providing that no insurer, dental service plan corporation, insurance network leasing company, or any company that amends, delivers, issues, or renews an individual or group policy of accident and health insurance that provides dental insurance on or after the effective date of the amendatory Act shall deny any claim subsequently submitted for procedures specifically included in a prior authorization unless certain circumstances apply. Further amends the Illinois Insurance Code. In a provision requiring contracting entities to provide notification before any scheduled assignment or lease of the network to which the provider is a contracted provider, requires the notification to provide the specific URL address where the following are located: all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access (instead of the notification including all contract terms, a policy manual, a fee schedule, and a statement that the provider has the right to choose not to participate in third-party access). Requires the notification to provide instructions for how the provider may obtain a copy of those materials. Amends the Limited Health Service Organization Act and Voluntary Health Services Plans Act to make conforming changes.		
Health	Practice of Pharmacy-Influenza	HB 4822 Manley	Amends the Pharmacy Practice Act and the Illinois Insurance Code. Provides that a deployer shall, at or before the time an automated decision tool is used to make a consequential decision, notify any natural person who is the subject of the	TBD	HOUSE Referred to Rules

			consequential decision that an automated decision tool is being used to make, or be a controlling factor in making, the consequential decision and provide specified information. Provides that a deployer shall establish, document, implement, and maintain a governance program that contains reasonable administrative and technical safeguards to map, measure, manage, and govern the reasonably foreseeable risks of algorithmic discrimination associated with the use or intended use of an automated decision tool. Provides that, within 60 days after completing an impact assessment required by the Act, a deployer shall provide the impact assessment to the Department of Human Rights. Provides that the Attorney General may bring a civil action against a deployer for a violation of the Act.		
Health	Pregnancy/ Postpartum Care	HB 5142 Gabel	Amends the Illinois Insurance Code. Provides that insurers shall cover all services for pregnancy, postpartum, and newborn care that are rendered by perinatal doulas or licensed certified professional midwives, including home births, home visits, and support during labor, abortion, or miscarriage. Provides that the required coverage includes the necessary equipment and medical supplies for a home birth. Provides that coverage for pregnancy, postpartum, and newborn care shall include home visits by lactation consultants and the purchase of breast pumps and breast pump supplies, including such breast pumps, breast pump supplies, breastfeeding supplies, and feeding aides as recommended by the lactation consultant. Provides that coverage for postpartum services shall apply for at least one year after birth. Provides that certain pregnancy and postpartum coverage shall be provided without cost-sharing requirements. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that the medical assistance program shall cover home visits for lactation counseling and support services. Provides that the medical assistance program shall cover counselor-recommended or provider-recommended breast pumps as well as breast pump supplies, breastfeeding supplies, and feeding aides. Provides that nothing in the provisions shall limit the number of lactation encounters, visits, or services; breast pumps;	Oppose	HOUSE 2nd Reading

			breast pump supplies; breastfeeding supplies; or feeding aides a beneficiary is entitled to receive under the program. Makes other changes**.** ***Effective January 1, 2026.*** **HB 5142 (HCA 0001) (ADOPTED)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes language providing that post-parturition care benefits shall not be subject to any cost-sharing requirement. Provides that coverage for postpartum services shall apply for at least one year after the end of the pregnancy (rather than one year after birth). Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits.* ***Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.*** HB 5142 (HCA 0002) **(ADOPTED)** *Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a*	Oppose with Amendment #1 Oppose with Amendment #2	

			high-deductible health plan from eligibility for a health savings account.		
Health	Dependent Parent Coverage	HB 5258 Huynh	Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance issued, amended, delivered, or renewed after January 1, 2026 that provides dependent coverage shall make that dependent coverage available to the parent or stepparent of the insured if the parent or stepparent meets the definition of a qualifying relative under specified federal law and lives or resides within the accident and health insurance policy's service area. Exempts specialized health care service plans, Medicare supplement insurance, hospital-only policies, accident-only policies, or specified disease insurance policies from the provisions. Defines "dependent". HB 5258 (HCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. 			menopause (instead of to treat menopause that has been induced by a hysterectomy*). **Effective January 1, 2026.*** HB 5295 (HCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 shall provide coverage for medically necessary hormonal and non-hormonal therapy to treat menopausal symptoms if the therapy is recommended by a qualified health care provider who is licensed, accredited, or certified under Illinois law and the therapy has been proven safe and effective in peer-reviewed scientific studies. Provides that coverage for therapy to treat menopausal symptoms shall include all federal Food and Drug Administration-approved modalities of hormonal and non-hormonal administration, including, but not limited to, oral, transdermal, topical, and vaginal rings. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the medical assistance program shall provide coverage for medically necessary hormone therapy treatment to treat menopause that has been induced by a hysterectomy. Makes a conforming change.* ***Effective January 1, 2026.***	Neutral with Amendment #1	
Health	Network Adequacy Directory	HB 5313 Croke	Amends the Network Adequacy and Transparency Act. Provides that a network plan shall, at least annually, audit (instead of audit periodically) at least 25% of its provider directories for accuracy, make any corrections necessary, and retain documentation of the audit. Provides that the network plan shall submit the audit to the Department of Insurance (instead of to the Director of Insurance upon request). Provides that the Department shall make the audit publicly available. Provides that a network plan shall include in the print format provider directory (i) a detailed description of the process to dispute charges for out-of-network providers or facilities that were incorrectly listed as in-network prior to the provision of care and (ii) a telephone number and email address to dispute those charges. Makes changes to the information that must be provided in a network plan's electronic and print directory. Requires the Director to conduct random audits of the accuracy of provider directories for at least 10% of plans each year.	Oppose	HOUSE 2nd Reading

			Provides that a consumer who incurs a cost for inappropriate out-of-network charges for a provider, facility, or hospital that was listed as in-network prior to the provision of services may file a verified complaint with the Department, and the Department shall conduct an investigation of the verified complaint and determine whether the complaint is sufficient. Provides that, upon a finding of sufficiency, the Director shall have the authority to levy a fine for not less than the cost incurred by the consumer for inappropriate out-of-network charges for a provider, facility, or hospital that was listed in-network. Provides that the fines collected by the Director shall be remitted to the consumer. HB 5313 (HCA 0001) (**TABLED)** *Provides that the network plan shall, at least every 90 days (rather than at least annually), audit its provider directories for accuracy (rather than audit periodically at least 25% of its provider directories for accuracy), make any corrections necessary, and retain documentation of the audit. In provisions about complaints of incorrect charges, allows a beneficiary (rather than a consumer) who incurs a cost for inappropriate out-of-network charges for a provider, facility, or hospital that was listed as in-network prior to the provision of services may file a complaint (rather than a verified complaint) with the Department of Insurance. Provides that the network plan shall reimburse the beneficiary the amount necessary to ensure the beneficiary is held harmless for all amounts exceeding the amount of the beneficiary would have paid had the services been provided in-network (rather than the Director of Insurance shall have the authority to levy a fine for not less than the cost incurred by the consumer for inappropriate out-of-network charges for a provider, facility, or hospital that was listed as in-network). Requires all out-of-pocket costs incurred by the beneficiary to apply toward the in-network deductible and out-of-pocket maximum (rather than requiring the fines collected by the Director to be remitted to the consumer).*	Oppose with Amendment #1	
Health	Dental Care Electronic Billing	HB 5317 Rita	Amends the Uniform Electronic Transactions in Dental Care Billing Act. Provides that beginning January 1, 2027 (instead of 2025), no dental plan carrier is required to accept from a dental care provider eligibility for a dental plan transaction or dental care claims or equivalent	Oppose	HOUSE 2nd Reading

			encounter information transaction. Sets forth exemptions from the requirements of the Act, and requires a dental care provider who is exempt from the requirements of the Act to file a form with the Department of Insurance indicating the applicable exemption. Requires each dental plan carrier to establish a portal that provides certain benefit and billing information. Requires a dental plan carrier to establish an electronic portal that allows dental care providers to submit claims electronically and directly to the dental care provider; accept attachments in an electronic format with the initial electronic claim's submission; and provide remittance advice with the corresponding payment. Provides that nothing in the Act requires a dental care provider to only accept electronic payment from a dental plan carrier. Provides that dental plan carriers shall allow alternative forms of payment, without additional fees or charges, to a dental care provider, if requested. ***Effective immediately.*** HB 5317 (HCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Amends the Uniform Electronic Transactions in Dental Care Billing Act. All	Consumer Fraud AI Labeling	HB 5321 Rashid	Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that each generative artificial intelligence system and artificial intelligence system that, using any means or facility of interstate or foreign commerce, produces image, video, audio, or multimedia AI-generated content shall include on the AI-generated content a clear and conspicuous disclosure that satisfies specified criteria. Provides that any entity that develops a generative artificial intelligence system and third-party licensee of a generative artificial intelligence system shall implement reasonable procedures to prevent downstream use of the system without the required disclosures. Provides that a violation of the provisions constitutes an unlawful practice within the meaning of the Act.	Oppose	HOUSE Assigned to Judiciary - Civil

All	Algorithmic Impact Assessments	HB 5322 Rashid	Creates the Illinois Commercial Algorithmic Impact Assessments Act. Defines "algorithmic discrimination", "artificial intelligence", "consequential decision", "deployer", "developer" and other terms. Requires that by January 1, 2026 and annually thereafter, a deployer of an automated decision tool must complete and document an assessment that summarizes the nature and extent of that tool, how it is used, and assessment of its risks among other things. Requires on or after January 1, 2026 and annually thereafter, developers of an automated decision tool must complete and document a similar assessment. Provides that upon the request of the Attorney General, a developer or deployer must provide that Office any impact assessment performed that is exempt from the Freedom of Information Act. Requires that a developer must provide a deployer with a statement regarding the intended uses of the automated decision tool and documentation regarding all of the following: (i) the known limitations of the automated decision tool, including any reasonably foreseeable risks of algorithmic discrimination arising from its intended use; (ii) a description of the types of data used to program or train the automated decision tool; and (iii) a description of how the automated decision tool was evaluated for validity and the ability to be explained before sale or licensing. Exempts a deployer with fewer than 50 employees unless, as of the end of the prior calendar year, the deployer deployed an automated decision tool that affected more than 999 people per year.	Oppose	HOUSE Assigned to Executive
Health	Nonopioid Alternative Act	HB 5355 ~~LaPointe~~ Rohr	Creates the Nonopioid Alternatives for Pain Act. Requires the Department of Public Health to develop and publish an educational pamphlet regarding the use of nonopioid alternatives for pain treatment. Provides that a health care practitioner shall exercise professional judgment in selecting appropriate treatment modalities for pain in accordance with specified Centers for Disease Control and Prevention guidelines, including the use of nonopioid alternatives whenever nonopioid alternatives exist. Requires a health care practitioner who prescribes an opioid drug to provide certain information to the patient, discuss certain topics, and document the reasons for the prescription. Requires the Department to develop a nonopioid directive form for	Oppose	HOUSE 2nd Reading

			patients. Sets forth provisions concerning exceptions, execution of a nonopioid directive, opioid administration to a patient with a nonopioid directive, and limitations of liability. Amends the Illinois Insurance Code. Provides that when a licensed health care practitioner prescribes a nonopioid medication for the treatment of acute pain, it shall be unlawful for a health insurance issuer to deny coverage of the nonopioid prescription drug in favor of an opioid prescription drug or to require the patient to try an opioid prescription drug before providing coverage. Provides that in establishing and maintaining its drug formulary, a health insurance issuer shall ensure that no nonopioid drug approved by the Food and Drug Administration for the treatment or management of pain shall be disadvantaged or discouraged, with respect to coverage or cost sharing, relative to any opioid or narcotic drug for the treatment or management of pain. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that whenever a licensed health care practitioner prescribes a nonopioid medication for the treatment of acute pain, neither the Department of Healthcare and Family Services nor a managed care organization shall deny coverage of the nonopioid prescription drug in favor of an opioid prescription drug or require a patient to try an opioid prescription drug prior to providing coverage of the nonopioid prescription drug. Makes other changes.		
Health	Continuous Glucose Monitor	HB 5382 Ladisch Douglass	Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 shall provide coverage for continuous glucose monitors, related supplies, and training in the use of continuous glucose monitors for any individual who is diagnosed with diabetes mellitus and meets other requirements, including that the prescriber had an in-person or covered telehealth visit with the individual to evaluate the individual's diabetes control and has determined that the eligibility criteria is met. Provides that to qualify for a continuous glucose monitor, a patient is not required to have a diagnosis of uncontrolled diabetes; have a history of emergency room visits or hospitalizations; or show improved glycemic	Oppose	HOUSE Assigned to Insurance

			control. Provides that an individual who is diagnosed with diabetes mellitus and meets the requirements shall not be required to obtain prior authorization for coverage for a continuous glucose monitor, and coverage shall be continuous once the continuous glucose monitor is prescribed. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services shall adopt rules to implement the changes made by the amendatory Act. Specifies that the rules shall, at a minimum contain certain provisions concerning the ordering provider, continuous glucose monitors not being required to have certain functionalities, eligibility requirements for a beneficiary, and not requiring prior authorization. ***Effective July 1, 2024.*** HB 5382 (HCA 0001) **(REFERRED TO INSURANCE)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the definition of "diabetes mellitus" to provide that "diabetes mellitus" includes all forms of diabetes, a chronic condition where the pancreas does not produce insulin or does not produce enough insulin or the body cannot effectively use the insulin it produces. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 (rather than January 1, 2025) shall provide coverage for continuous glucose monitors, related supplies, and training in the use of continuous glucose monitors for any individual who is diagnosed with diabetes mellitus, and the coverage shall fully align with the coverage for continuous glucose monitors under Medicare and the eligibility requirements shall be no more restrictive than the eligibility requirements for continuous glucose monitors under Medicare (rather than specifying requirements). Adds language providing that the rules adopted by the Department of Healthcare and Family Services shall provide that the beneficiary is not required to have a diagnosis of controlled diabetes. Removes language providing that continuous glucose monitors are not required to have specified functionalities. Provides that the continuous glucose monitor chosen by the individual must be approved by the*	Oppose with Amendment #1	

			United States Food and Drug Administration. In a provision regarding*	Monitor Neutral with Amendment #1	HOUSE Assigned to Insurance

			coverage for Alzheimer's Disease or other related dementia, limits the provision to beginning on July 1, 2025 (rather than January 1, 2025). Requires FDA-approved treatments or medications prescribed to slow the progression of Alzheimer's Disease or another related dementia to be medically necessary in order to qualify for coverage under the State Employees Group Insurance Program. Adds a specific prohibition on step therapy for treatment of Alzheimer's Disease or another related dementia. HB 5383 (HCA 0002) **(REFERRED TO INSURANCE)** *Replaces everything after the enacting clause with the provisions of House Amendment No. 1 with the following changes. Provides that treatment for Alzheimer's Disease under the State Employees Group Insurance Program shall be covered if determined to be medically necessary by a physician licensed to practice medicine under the Illinois Medical Practice Act of 1987 (rather than by a physician licensed to practice medicine in all its branches).*	Neutral with Amendment #2	
All	Employment Prohibit Covenants	HB 5385 Moeller	Amends the Illinois Freedom to Work Act. Provides that no employer shall enter into a covenant not to compete or a covenant not to solicit with any employee (rather than no employer shall enter into a covenant not to compete or a covenant not to solicit with any employee unless the employee's actual or expected annualized rate of earnings exceeds $75,000 per year). Provides that an employer or former employer shall not attempt to enforce a contract that is void and unenforceable under the Act regardless of whether the contract was signed and the employment was maintained outside of the State. Provides that, on or before April 1, 2025, an employer who entered into a covenant not to compete or a covenant not to solicit with an employee, or a former employees who was employed after January 1, 2023, shall notify the employee or the former employee that the covenant not to compete or the covenant not to solicit is void and unenforceable. Repeals provisions concerning the legitimate business interest of the employer; ensuring employees are informed about their obligations; and reformation of covenants not to compete and covenants not to solicit. Makes changes to definitions. Makes conforming changes.	Monitor	HOUSE Referred to Rules

Health	Network Adequacy Standards	HB 5395 Moeller	Amends the Network Adequacy and Transparency Act. Adds definitions. Provides that the minimum ratio for each provider type shall be no less than any such ratio established for qualified health plans in Federally-Facilitated Exchanges by federal law or by the federal Centers for Medicare and Medicaid Services. Provides that the maximum travel time and distance standards and appointment wait time standards shall be no greater than any such standards established for qualified health plans in Federally-Facilitated Exchanges by federal law or by the federal Centers for Medicare and Medicaid Services. Makes changes to provisions concerning network adequacy, notice of nonrenewal or termination, transition of services, network transparency, administration and enforcement, provider requirements, and provider directory information. Amends the Managed Care Reform and Patient Rights Act. Makes changes to provisions concerning notice of nonrenewal or termination and transition of services. Amends the Illinois Administrative Procedure Act to authorize the Department of Insurance to adopt emergency rules implementing federal standards for provider ratios, time and distance, or appointment wait times when such standards apply to health insurance coverage regulated by the Department of Insurance and are more stringent than the State standards extant at the time the final federal standards are published. Amends the Illinois Administrative Procedure Act to make a conforming change. ***Effective immediately.*** HB 5395 (HCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the amendatory Act may be referred to as the Health Care Consumer Access and Protection Act. Amends the Illinois Insurance Code. Provides that, unless prohibited under federal law, for plan year 2026 and thereafter, for each insurer proposing to offer a qualified health plan issued in the individual market through the Illinois Health Benefits Exchange, the insurer's rate filing must apply a cost-sharing reduction defunding adjustment factor within a range that is uniform across all insurers; is consistent with the total adjustment expected to be needed to cover*	Oppose Oppose with Amendment #1	HOUSE 2nd Reading

			actual cost-sharing reduction costs across all silver plans on the Illinois Health Benefits Exchange statewide; and makes certain assumptions. Provides that the rate filing must apply an induced demand factor based on a specified formula. Provides that certain provisions concerning filing of premium rates for group accident and health insurance for approval by the Department of Insurance do not apply to group policies issued to large employers. Removes language providing that certain provisions do not apply to the large group market. Provides that for large employer group policies issued, delivered, amended, or renewed on or after January 1, 2026, the premium rates and risk classifications must be filed with the Department annually for approval. Amends the Limited Health Service Organization Act to provide that pharmaceutical policies are subject to the provisions of the amendatory Act. Sets forth provisions concerning short-term, limited-duration insurance. Provides that no company shall issue, deliver, amend, or renew short-term, limited-duration insurance. Provides that the Department may adopt rules as deemed necessary that prescribe specific standards for or restrictions on policy provisions, benefit design, disclosures, and sales and marketing practices for excepted benefits. Provides that the Director of Insurance's authority under specified provisions is extended to group and blanket excepted benefits. Makes conforming changes in the Health Maintenance Organization Act. Repeals the Short-Term, Limited-Duration Health Insurance Coverage Act. Provides that no later than July 1, 2025, insurance companies that use a drug formulary shall post the formulary on their websites. Makes changes concerning utilization reviews and step therapy requirements. Provides that beginning January 1, 2026, coverage for inpatient mental health treatment at participating hospitals or other licensed facilities shall comply with specified requirements concerning prior authorization, coverage, and concurrent review. Makes other changes. Further amends the Managed Care Reform and Patient Rights Act. Removes provisions concerning step therapy. Provides that only a clinical peer may make an adverse determination. Sets forth certain requirements for utilization review programs. Provides that no utilization review program or any		

			policy, contract, certificate, evidence of coverage, or formulary shall impose step therapy requirements for any health care service, including prescription drugs. Amends the Health Carrier External Review Act. Requires a health insurance issuer to publish on its public website a list of services for which prior authorization is required. ***Effective January 1, 2025.***		
Health	HIV TLC Act	HB 5417 Cassidy	Amends the Department of Public Health Act. Establishes the role of HIV Treatment Innovation Coordinator to be housed within the Department. Provides that the Department shall create and fill the Coordinator role within 6 months after the effective date of the amendatory Act. Requires the Coordinator to develop and execute a comprehensive strategy to adopt a Rapid Start model for HIV treatment as the standard of care. Requires compensation and benefits for the Coordinator be at the Program Director level. Describes the specific job responsibilities of the Coordinator. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in this State on or after January 1, 2025 shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the home test kit, that are deemed medically necessary or appropriate and ordered directly by a clinician or furnished through a standing order for patient use based on clinical guidelines and individual patient health needs. Makes a conforming change to the Illinois Public Aid Code regarding coverage for home test kits for sexually transmitted infections. Amends the AIDS Confidentiality Act. Creates the Illinois AIDS Drug Assistance Program. Provides that Illinois AIDS Drug Assistance Program applications shall be processed within 72 hours after the time of submission. Provides for conditional approval of Illinois AIDS Drug Assistance Program applications within 24 hours after time of submission. Requires Illinois AIDS Drug Assistance Program applicants to document residency within the State of Illinois. Provides for 8 Rapid Start for HIV Treatment pilot sites established by the Department of Public Health. Provides that the Department shall publish a report on the operation of the pilot program 15 months after the pilot sites have launched.	Oppose	HOUSE 2nd Reading

			Establishes requirements for the report, requires that the report be shared with the General Assembly, the Governor's Office, and requires that the report be made available on the Department's Internet website. Amends the County Jail Act. Creates new annual adult correctional facility public inspection report requirements on the topics of HIV and AIDS.		
Health	Regulation Network Adequacy	HB 5419 Moeller	Amends the Network Adequacy and Transparency Act. Makes a technical change in a Section concerning the Act's short title.	Monitor	HOUSE Referred to Rules
Health	Pharmacists-Vaccines & Dosage	HB 5462 Moeller	Amends the Pharmacy Practice Act. Provides that it is the practice of pharmacy to order and administer vaccines to patients 7 years of age and older for COVID-19 or influenza subcutaneously, intramuscularly, or orally as authorized, approved, or licensed by the United States Food and Drug Administration or in accordance with the United States Centers for Disease Control and Prevention's Recommended Immunization Schedule or the United States Centers for Disease Control and Prevention's Health Information for International Travel (rather than as authorized, approved, or licensed by the United States Food and Drug Administration). Provides that a pharmacist who is exercising his or her professional judgment may change the quantity of medication prescribed if specified conditions are satisfied. Provides that a pharmacist may change the dosage form of a prescription if it is in the best interest of patient care, so long as the prescriber's directions are also modified to equate to an equivalent amount of drug dispensed as prescribed. Provides that a pharmacist may complete missing information on a prescription if there is evidence to support the change. Repeals provisions concerning the administration of vaccines, tests, and therapeutics by registered pharmacy technicians and student pharmacists. Makes other changes. Amends the Illinois Insurance Code and the Medical Assistance Article of the Illinois Public Aid Code. Provides that the ordering and administration of vaccines by a pharmacist as part of the practice of pharmacy shall be covered and reimbursed under the medical assistance program and by other insurers at no less than the	Oppose	HOUSE Referred to Rules

			rate that the vaccine is reimbursed at when ordered and administered by a licensed physician.		
All	Consumer Fraud Agreements	HB 5476 Evans, Jr.	Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that any term or condition in any agreement that unnecessarily burdens a person's rights under the Act shall be null and void	Oppose	HOUSE Assigned to Judiciary - Civil
Health	Insurance Various	HB 5493 Jones	Amends the Illinois Insurance Code. Provides that certain coverage requirements apply to an individual policy of accident and health insurance (currently, a policy of accident and health insurance). Provides that an individual or group policy of accident and health insurance or a managed care plan must not require authorization or referral by the plan, issuer, or any person, including a primary care provider, for any covered individual who seeks coverage for certain obstetrical or gynecological care. Provides that if a policy, contract, or certificate requires or allows a covered individual to designate a primary care provider and provides coverage for any obstetrical or gynecological care, the insurer shall provide the notice required under specified federal regulations in all circumstances required under those regulations. Makes changes in provisions concerning post-parturition care. Changes the language required in the disclosure of a limited benefit. Increases the fee for filing a plan of division of a domestic stock company and for filing an insurance business transfer plan. Makes changes in provisions concerning fraud reporting; coverage for epinephrine injectors; blanket accident and health insurance; authorization of policies, agreements, or arrangements with incentives or limits on reimbursement; and refunds and penalties. Repeals a provision concerning the application of certain provisions. Amends the Network Adequacy and Transparency Act. Changes references from "woman's principal health care provider" to "obstetrical and gynecological health care professional". Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Limited Health Service Organization Act, and the Illinois Public Aid Code to make conforming changes. Amends the Health Maintenance Organization Act. Makes changes to the required disclosures. Amends the Voluntary Health Services Plans Act to make a conforming change. ***Effective immediately, except that certain provisions are effective January 1, 2025.*** HB 5493 (HCA 0003) **(ADOPTED)** *Provides that "tax due" means the full amount due for the applicable tax period (rather than that year) under specified provisions*	Neutral with Amendment #3	
Health	Health Care Costs	HB 5517 Ladisch Douglass	Creates the Protection Against Unnecessary Health Care Costs Act. Requires the State Comptroller to establish the Drug Discount Card Program to be made available for all residents of this State. Requires the Department of Insurance to report to the General Assembly and to the Governor recommendations for establishing an outreach and education program to inform licensed physicians on when a drug patent will expire and become available in generic form, and when generic alternatives exist for drugs whose patent recently expired. Provides that on and after October 1, 2025, a pharmaceutical manufacturer that employs an individual to perform the duties of a pharmaceutical sales representative shall register annually with the Department of Financial and Professional Regulation as a pharmaceutical marketing firm. Provides that each pharmaceutical marketing firm shall provide to the Department a list of all individuals employed by the pharmaceutical marketing firm as a pharmaceutical sales representative. Sets forth provisions concerning registration; registration fees; discipline of pharmaceutical marketing firms; the Department posting a list of all individuals employed by the pharmaceutical marketing firm as a pharmaceutical sales representative; and reports by pharmaceutical marketing firms to the Department. Requires the Department of Public Health to report to the General Assembly and the Governor, an analysis of pharmacy benefit managers' practices of prescription drug distribution. Requires the	Monitor	HOUSE Assigned to Health Care Availability & Access

			Department of Public Health to prepare a list of not more than 10 outpatient prescription drugs that the Director of Public Health, in the Director's discretion, determines are provided at substantial cost to the State or critical to public health. Requires the pharmaceutical manufacturer of an outpatient prescription drug included on that list to provide specified information to the Department of Public Health. Sets forth provisions concerning hearings; violations of the Act by health care facilities; civil penalties; and a report of the utilization management and provider payment practices of Medicare Advantage plans. Makes other changes. Amends the Illinois Health Facilities Planning Act. Requires a health care facility to post notice of its intent to file an application for a certificate of need. ***Effective immediately***. HB 5517 (HCA 0001) **(REFERRED TO HEALTH CARE AVAILABILITY & ACCESS)** *Removes provisions concerning the Drug Discount Card Program; physician outreach and education on drug patents; pharmaceutical marketing firm registration; legend drug marketing; discipline of pharmaceutical marketing firms; report of pharmacy benefit managers' practices; and list of outpatient prescription drugs. Removes provisions specifying that certain violations are deceptive business practices under the Consumer Fraud and Deceptive Business Practices Act. Changes references from "January 1, 2025" to "January 1, 2026" and "January 1, 2026" to "January 1, 2027". Health	Drug Formulary Posting	HB 5518 Ladisch Douglass	Amends the Illinois Insurance Code. Provides that "State-regulated health plan" means any health insurance plan issued by an insurer regulated by the State or health insurance plan operated and administered by the State, including, but not limited to, the medical assistance program under the Medical Assistance Article of the Illinois Public Aid Code, fee-for-service plans, and managed care organizations. Provides that for every State-regulated health plan, an information packet on all insurance products offered to enrollees must be made available to the public, which must be viewable before choosing a health plan, that includes specified information concerning the plan's drug formulary and the costs for drugs. Provides that the information packet must be made available both online in any patient portal and in a printed format. Provides that the information packet must be updated within 7 days after any change to the drug formulary, and notice of the change to the drug formulary and change to drug costs must be sent to beneficiaries by mail or electronically. Health	Provider Panels	HB 5580 Huynh	Amends the Managed Care Reform and Patient Rights Act. Sets forth requirements for carriers that offer a provider panel. Requires notice of the development of a provider panel to be filed with Department of Public Health prior to establishment. Provides that a carrier that uses a provider panel shall establish procedure for notifying an enrollee of the termination of a health care provider. Sets forth provisions permitting, under certain circumstances, a health care provider to continue to render health care services following termination from the carrier's provider panel. Requires a carrier to provide a list of members in the carrier's provider panel. Establishes notice requirements for benefit reductions and termination of health care providers from the carrier's provider panel. Requires any carrier requiring preauthorization for medical treatment to have personnel available to provide preauthorization at all times when the preauthorization is required. Provides that no contract between a health care provider and a carrier shall include provisions that require a health care provider to deny covered services that the provider knows to be medically necessary and appropriate that are provided with respect to a specific enrollee or group of enrollees with	Oppose	HOUSE Referred to Rules

			similar medical conditions. Sets forth prohibited provisions in a contract between a carrier and a health care provider. Defines terms. Makes other and conforming changes.		
All	IL Privacy Rights Act	HB 5581 Huynh	Creates the Illinois Privacy Rights Act. Defines terms such as "biometric data", "consumer", "controller", "deidentified data", and "processor". Creates a consumer protection of privacy in which, with some exceptions, provides an individual with the right to: (i) confirm whether or not a controller is processing the consumer's personal data and access such personal data; (ii) correct inaccuracies in the consumer's personal data; (iii) delete personal data provided by or obtained about the consumer; (iv) obtain a copy of the consumer's personal data processed by the controller in a portable and, to the extent technically feasible, readily usable format; and, (v) opt out of the processing of the personal data for purposes of targeted advertising, the sale of personal data, or profiling in furtherance of solely automated decisions that produce legal or similarly significant effects concerning the consumer. Defines a consumer as a resident of this State excluding an individual acting in commercial or employment context. Provides that this Act applies to persons that conduct business in this State or persons that produce products or services that are targeted to residents of this State that during a 1-year period: (i) controlled or processed the personal data of not less than 35,000 unique consumers, excluding personal data controlled or processed solely for the purpose of completing a payment transaction; or (ii) controlled or processed the personal data of not less than 10,000 unique consumers and derived more than 25% of their gross revenue from the sale of personal data. Provides that the Attorney General has the exclusive authority under this Act to enforce violations of it. Makes a violation of this Act an unfair method of competition or any unfair or deceptive act or practice under the Consumer Fraud and Deceptive Business Practices Act. Prohibits a private cause of action under this Act. ***Effective January 1, 2025.***	Oppose	HOUSE Referred to Rules

Health	Insurance Coverage Changes	SB 1557 Murphy	Provides that no individual or group policy of accident and health insurance or managed care organization shall change an insured's eligibility or coverage during a contract period. Provides that during a contract period, insureds shall have the protection and continuity of their providers, medication, covered benefits, and formulary during the contract period. Amends the Illinois Public Aid Code making conforming changes. SB1557 (SCA1) (**RE-REFERRED TO ASSIGNMENTS)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning insurance contract terms, removes a managed care organization from policies subject to specified requirements. Removes provisions concerning the Illinois Public Aid Code.*	Oppose Neutral with Amendment #1	SENATE Re-Referred to Assignments

Health	Athletic Trainers	SB 1585 Cunningham	Provides that the definition of "health care professional" includes athletic trainers.	Monitor	SENATE Re-Referred to Assignments
Health	Health Plan Benefit Data	SB 1618 Morrison	Provides that no later than July 1, 2024, each health plan and pharmacy benefit manager operating in this State shall, upon request of a covered individual, his or her health care provider, or an authorized third party on his or her behalf, furnish specified cost, benefit, and coverage data to the covered individual, his or her health care provider, or the third party of his or her choosing and shall ensure that the data is: (1) current no later than one business day after any change is made; (2) provided in real time; and (3) in a format that is easily accessible to the covered individual or, in the case of his or her health care provider, through an electronic health records system. Provides that the format of the request shall use specified industry content and transport standards.	Oppose	SENATE Re-Referred to Assignments
Health	Health Insurance Employment	SB 1708 Simmons	Provides that a group policy of accident and health insurance or a managed care plan amended, delivered, issued, or renewed on or after the effective date of the amendatory Act that an employer makes available to any employee shall also be made available to all individuals employed by the employer, regardless of the amount of hours per week an employee works.	Oppose	SENATE Re-Referred to Assignments
Health	$35 Insulin Co Pay	SB 1756 Turner	Provides that an insurer that provides coverage for prescription insulin drugs pursuant to the terms of a health coverage plan the insurer offers shall limit the total amount that an insured is required to pay for a 30-day supply of covered prescription insulin drugs at an amount not to exceed $35 (rather than $100).	Oppose	SENATE Referred to Assignments
Health	Insurance billing	SB 1762 Gillespie	In provisions concerning required disclosures on contracts and evidences of coverage of accident and health insurance, provides that insurers must notify beneficiaries that nonparticipating providers may bill members for any amount up to the billed charge after the plan has paid its portion of the bill, except for specified services, including items or services provided to a Medicare beneficiary, insured, or enrollee.	Oppose	SENATE Re-Referred to Assignments

Health	Glucose Monitor Mandate	SB 1773 Morrison	Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2024 shall provide coverage for medically necessary continuous glucose monitors for individuals who are diagnosed with type 1 or type 2 diabetes, gestational diabetes, maturity-onset diabetes of the young, neonatal diabetes, diabetes caused by Wolfram syndrome, diabetes caused by Alstrom syndrome, latent autoimmune diabetes in adults, steroid-induced diabetes, or cystic fibrosis diabetes (rather than only type 1 or type 2 diabetes) and require insulin for the management of their diabetes.	Oppose	SENATE Re-Referred to Assignments
Health	Patient Billing Collection	SB 1802 Murphy	Provides that before pursuing a collection action against an insured patient for the unpaid amount of services rendered, a health care provider must review a patient's file to ensure that the patient does not have a Medicare supplement policy or any other secondary payer health insurance plan. Provides that if, after reviewing a patient's file, the health care provider finds no supplemental policy in the patient's record, the provider must then provide notice to the patient and give that patient an opportunity to address the issue.	Monitor	SENATE Re-Referred to Assignments
Health	Rate Review	SB 1912 Fine	Provides that the Department of Insurance shall establish the Office of the Healthcare Advocate. Provides that the Office shall be administered by the Chief Health Care Advocate, who shall report to the Director of Insurance. Amends the Illinois Insurance Code and the Health Maintenance Organization Act. Provides that all individual and small group accident and health policies written subject to certain federal standards must file rates with the Department for approval. Provides that unreasonable rate increases or inadequate rates shall be modified or disapproved. Provides that when an insurer files a schedule or table of premium rates for individual or small group health benefit plans, the insurer shall post notice of the premium rate filings and a filing summary in plain language on the insurer's website. Provides that the Department shall post all insurers' rate filings and summaries on the Department's website. Provides that the Department shall open a 30-day public comment period on the date that a rate filing is posted on the website. Provides that the Department shall hold a public hearing	Oppose	SENATE Re-Referred to Assignments

			during the 30-day comment period. Provides that the Director shall adopt affordability standards that must be considered in any decision to approve, disapprove, or modify rate filings. Provides that after the close of the public comment period, the Department shall issue a decision to approve, disapprove, or modify a rate filing, and post the decision on the Department's website. SB 1912 (SCA 0001) **(RE-REFERRED TO ASSIGNMENTS)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that the Department of Insurance shall establish the Office of the Healthcare Advocate within the State health benefits exchange (rather than only the Department shall establish the Office of Healthcare Advocate). Provides that the Healthcare Advocate (rather than the Director of Insurance) shall develop and recommend affordability standards that must be considered by the Director in any decision to approve, disapprove, or modify rates. Provides that beginning plan year 2026 (rather than without a specified application date), rate increases for all individual and small group accident and health insurance policies subject to specified provisions must be filed with the Department for approval. Provides that beginning plan year 2025 (rather than without a specified application date), when an insurer or a health maintenance organization files a schedule or table of premium rates for individual or small group health benefit plans, the insurer or health maintenance organization shall post notice of the rate filing and a filing summary in plain language on the insurer's or organization's website. Provides that the Department shall hold a public hearing within 10 days after public comments are posted on the Department's website (rather than the Department shall hold a public hearing during a 30-day comment period). Provides that all insurers and health maintenance organizations selling plans in the individual and small group markets shall appear at the public hearing to explain their rate filings and justifications. Makes other changes.*	Oppose with Amendment #1	
Health	Ambulance	SB 1925 Holmes	Provides that nothing in the provisions shall require an ambulance provider to bill a beneficiary, insured, enrollee, or health insurance issuer when prohibited by any other law, rule, ordinance, contract, or	Monitor	SENATE Re-Referred to Assignments

			agreement. Limits home rule powers. Changes the definition of "emergency services" and "health care provider". Amends the Health Maintenance Organization Act. Removes language providing that upon reasonable demand by a provider of emergency transportation by ambulance, a health maintenance organization shall promptly pay to the provider, subject to coverage limitations stated in the contract or evidence of coverage, the charges for emergency transportation by ambulance provided to an enrollee in a health care plan arranged for by the health maintenance organization. SB 1925 (SCA 0001) **(RE-REFERRED TO ASSIGNMENTS)** *Includes a provider of ground ambulance services in the definition of "health care provider".*	Monitor with Amendment #1	
All	Insurance Business Transfer Act	SB 1961 Cunningham (SWAPPED TO SB 762)	Provides that notwithstanding any other provision of law, a court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this Act. Sets forth provisions concerning notice requirements, application procedure, application to a court for approval of a plan, approval and denial of insurance business transfer plans, and fees and costs. Provides that the Department of Insurance may adopt rules that are consistent with the provisions. Provides that the portion of the application for an insurance business transfer that would otherwise be confidential, including any documents, materials, communications, or other information submitted to the Director of Insurance in contemplation of an application, shall not lose such confidentiality. Provides that insurers consent to the jurisdiction of the Director with regard to ongoing oversight of operations, management, and solvency relating to the transferred business. Provides that at the time of filing its application for review and approval of an insurance business transfer plan, an applicant shall pay a nonrefundable fee of $10,000 to the Department. 			SB 2735 (SCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that any group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed on or after January 1, 2026 shall offer all reasonably available methods of payment from the insurer or managed care plan, or its contracted vendor, to the contracted health care provider. Provides that an insurer or managed care plan shall not mandate payment by credit card. Provides that if one of the available payment methods has a fee associated with it, the insurer or managed care plan, or its contracted vendor, shall notify the health care provider of certain information and provide the health care provider with instructions on how to select each method. Provides that if a health care provider requests a change in the available payment method, the insurer or managed care plan, or its contracted vendor, shall implement the change to the payment method selected by the health care provider within 30 business days, subject to federal and State verification measures to prevent fraud and abuse. Provides that an insurer or managed care plan shall not use a health care provider's preferred method of payment as a factor when deciding whether to provide credentials to a health care provider. Defines terms. Amends the Health Maintenance Organization Act to make a conforming change.*	Neutral with Amendment #1	
Health	Vaccine Admin. Fee	SB2744 Fine	Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Illinois Insurance Code, the Health Maintenance Organization Act, and the Voluntary Health Services Plans Act to provide that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 shall provide coverage for vaccine administration fees, regardless of the type of provider that administers the vaccine, without imposing a deductible, coinsurance, copayment, or any other cost-sharing requirement. Provides that the coverage does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account under the Internal Revenue Code of 1986.	Oppose	SENATE Assigned to Insurance

Health	Adoptee Medical Testing	SB2759 Hunter	Creates the Adoptee Baseline Medical Testing Act. Requires medical intake forms for services provided by health care providers to include questions concerning the patient's adoption status and, if adopted, whether the patient has access to the patient's biological medical history. Provides that, if a patient has indicated on the medical intake form that the patient is adopted and does not have access to the patient's biological medical history, then, upon request by the patient or patient's parent or guardian, the health care provider shall provide no-cost, baseline testing with minimized time-bound restrictions for genetically predisposed conditions or diseases. Provides that if the patient or patient's parent or guardian requests such testing and the health care provider does not have personnel qualified to perform the testing, the health care provider must make a referral to another health care provider that is qualified to perform the testing and that will accept the referral. Subject to appropriation, requires the Department of Public Health, by rule, to create a State-funded system to pay for the baseline testing to the extent that another source does not cover the cost of the testing. Requires the Department of Public Health to develop educational materials and presentations for distribution to health care providers that provide information on the need for access to biological medical history and the detriments of lack of access to biological medical history for adoptees. Provides that the Department of Public Health shall administer and enforce the Act. Amends the Illinois Insurance Code to require coverage for baseline testing for genetically predisposed conditions or diseases if a patient has indicated on a medical intake form that the patient is adopted and does not have access to the patient's biological medical history. Provides that such a policy shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement on the coverage provided. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Medical Assistance Article of the Illinois Public Aid Code.	Oppose	SENATE Assigned to Appropriations

Health	Coverage Changes	SB2789 Murphy	Amends the Illinois Insurance Code. Provides that no individual or group policy of accident and health insurance shall amend, deliver, issue, or renew a policy in a way that changes an insured's eligibility or coverage during a contract period. During a contract period, an insured shall have the protection and continuity of his or her providers, his or her medication, his or her covered benefits, and the formulary during the contract period.	Oppose	SENATE Re-Referred to Assignments
Health	Short term Limited Duration Insurance	SB2836 Fine	Amends the Illinois Insurance Code. Sets forth provisions concerning short-term, limited-duration insurance. Provides that on and after January 1, 2025, no company shall issue, deliver, amend, or renew short-term, limited-duration insurance to any natural or legal person that is a resident or domiciled in the State. Provides that the Department of Insurance may adopt rules as deemed necessary that prescribe specific standards for or restrictions on policy provisions, benefit design, disclosures, and sales and marketing practices for excepted benefits. Provides that the Director of Insurance's authority under specified provisions is extended to group and blanket excepted benefits. Provides that the language does not apply to limited-scope dental, limited-scope vision, long-term care, Medicare supplement, credit life, credit health, or any excepted benefits that are filed under specified provisions. Provides that nothing in the language shall be construed to limit the Director's authority under other statutes. Makes conforming changes in the Health Maintenance Organization Act and the Limited Health Service Organization Act. Repeals the Short-Term, Limited-Duration Health Insurance Coverage Act. ***Effective January 1, 2025.***	Oppose	SENATE Re-Referred to Assignments
Health	IL Health Benefits Exchange Law	SB2858 Harris	Amends the Illinois Health Benefits Exchange Law. Provides that the Department of Insurance and the Department of Healthcare and Family Services have the authority to require, when the Department of Insurance operates the Illinois Health Benefits Exchange as a State-based exchange, the Illinois Health Benefits Exchange to offer enhanced direct enrollment technology that allows approved enhanced direct enrollment entities to maintain enrollment services as offered through the Federally Facilitated Marketplace's enhanced direct enrollment implementation; to require enhanced direct enrollment to be available	Monitor *(presently working on language)*	SENATE Assigned to Insurance

			for the first open enrollment period for the State-based exchange; to require that the State-based exchange adopt the application programming interface for the Federally Facilitated Marketplace's enhanced direct enrollment or adopt an application programming interface that is substantially similar; and to require enhanced direct enrollment entities to be approved to operate in the Federally Facilitated Marketplace and maintain compliance with all Centers for Medicare and Medicaid Services' privacy, security, and business requirements. Defines terms.		
Health	Behavioral Health	SB2896 Villa	Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or any third-party administrator administering the behavioral health benefits for the insurer, shall cover all out-of-network medically necessary mental health and substance use benefits and services (inpatient and outpatient) as if they were in-network for purposes of cost sharing for the insured. Provides that the insured has the right to select the provider or facility of their choice and the modality, whether the care is provided via in-person visit or telehealth, for medically necessary care. Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. Amends the Illinois Administrative Procedure Act to authorize emergency rulemaking. ***Effective immediately.***	Monitor	SENATE Re-Referred to Assignments
Health	Medicare Enrollment Period	SB 2910 Fine	Amends the Illinois Insurance Code. In provisions concerning Medicare supplement policy minimum standards, provides that if an individual is at least 65 years of age but no more than 75 years of age and has an existing Medicare supplement policy, then the individual is entitled to	Monitor	SENATE Re-Referred to Assignments

			an annual open enrollment period lasting 45 days, commencing with the individual's birthday, and the individual may purchase any Medicare supplement policy with the same issuer or any affiliate authorized to transact business in the State (instead of only the same issuer) that offers benefits equal to or lesser than those provided by the previous coverage.		
Health	Medicaid Waiver - ACA	SB 2985 Rezin	Amends the State Employees Group Insurance Act of 1971. Prohibits the State from applying for any federal waiver that would reduce or eliminate any protection or coverage required under the Patient Protection and Affordable Care Act (Affordable Care Act) that was in effect on January 1, 2017, including, but not limited to, any protection for persons with preexisting conditions and coverage for services identified as essential health benefits under the Affordable Care Act. Provides that the State or an agency of the executive branch may apply for such a waiver only if granted authorization by the General Assembly through joint resolution. Amends the Illinois Insurance Code. Prohibits the State from applying for any federal waiver that would permit an individual or group health insurance plan to reduce or eliminate any protection or coverage required under the Affordable Care Act that was in effect on January 1, 2017, including, but not limited to, any protection for persons with preexisting conditions and coverage for services identified as essential health benefits under the Affordable Care Act. Provides that the State or an agency of the executive branch may apply for such a waiver only if granted authorization by the General Assembly through joint resolution. Amends the Illinois Public Aid Code. Prohibits the State or an agency of the executive branch from applying for any federal Medicaid waiver that would result in more restrictive standards, methodologies, procedures, or other requirements than those that were in effect in Illinois as of January 1, 2017 for the Medical Assistance Program, the Children's Health Insurance Program, or any other medical assistance program in Illinois operating under any existing federal waiver authorized by specified provisions of the Social Security Act. Provides that the State or an agency of the executive branch	Support	SENATE Referred to Assignments

			may apply for such a waiver only if granted authorization by the General Assembly through joint resolution. ***Effective immediately.***		
Health	Health Data Privacy Act	SB 3080 Villanueva	Creates the Protect Health Data Privacy Act. Provides that a regulated entity shall disclose and maintain a health data privacy policy that clearly and conspicuously discloses specified information. Sets forth provisions concerning health data privacy policies. Provides that a regulated entity shall not collect, share, or store health data, except in specified circumstances. Provides that it is unlawful for any person to sell or offer to sell health data concerning a consumer without first obtaining valid authorization from the consumer. Provides that a valid authorization to sell consumer health data must contain specified information; a copy of the signed valid authorization must be provided to the consumer; and the seller and purchaser of health data must retain a copy of all valid authorizations for sale of health data for 6 years after the date of its signature or the date when it was last in effect, whichever is later. Sets forth provisions concerning the consent required for collection, sharing, and storage of health data. Provides that a consumer has the right to withdraw consent from the collection, sharing, sale, or storage of the consumer's health data. Provides that it is unlawful for a regulated entity to engage in discriminatory practices against consumers solely because they have not provided consent to the collection, sharing, sale, or storage of their health data or have exercised any other rights provided by the provisions or guaranteed by law. Sets forth provisions concerning a consumer's right to confirm whether a regulated entity is collecting, selling, sharing, or storing any of the consumer's health data; a consumer's right to have the consumer's health data that is collected by a regulated entity deleted; prohibitions regarding geofencing; and consumer health data security. Provides that any person aggrieved by a violation of the provisions shall have a right of action in a State circuit court or as a supplemental claim in federal district court against an offending party. Provides that the Attorney General may enforce a violation of the provisions as an unlawful practice under the Consumer Fraud and Deceptive Business	Oppose	SENATE Referred to Assignments

			Practices Act. Defines terms. Makes a conforming change in the Consumer Fraud and Deceptive Business Practices Act.		
Health	Health Care Availability	SB 3108 Koehler	Creates the Health Care Availability and Access Board Act. Establishes the Health Care Availability and Access Board to protect State residents, State and local governments, commercial health plans, health care providers, pharmacies licensed in the State, and other stakeholders within the health care system from the high costs of prescription drug products. Contains provisions concerning Board membership and terms; staff for the Board; Board meetings; circumstances under which Board members must recuse themselves; and other matters. Provides that the Board shall perform the following actions in open session: (i) deliberations on whether to subject a prescription drug product to a cost review; and (ii) any vote on whether to impose an upper payment limit on purchases, payments, and payor reimbursements of prescription drug products in the State. Permits the Board to adopt rules to implement the Act and to enter into a contract with a qualified, independent third party for any service necessary to carry out the powers and duties of the Board. Creates the Health Care Availability and Access Stakeholder Council to provide stakeholder input to assist the Board in making decisions as required by the Act. Contains provisions concerning Council membership, member terms, and other matters. Provides that the Board shall adopt the federal Medicare Maximum Fair Price as the upper payment limit for a prescription drug product intended for use by individuals in the State. Requires the Attorney General to enforce the Act. ***Effective 180 days after becoming law.***	TBD	SENATE Referred to Assignments
Health	State Based Exchange	SB 3130 Gillespie	Amends the Illinois Insurance Code. Provides that beginning with the operation of a State-based exchange in plan year 2026, a pregnant individual has the right to enroll in a qualified health plan through a special enrollment period at any time after a qualified health care professional certifies that the individual is pregnant. Amends the Illinois Health Insurance Portability and Accountability Act. Provides that notice of a health insurance issuer's election to uniformly modify coverage, uniformly terminate coverage, or discontinue coverage in a marketplace shall be sent by certified mail to the Department of Insurance	TBD (working with DOI)	SENATE 2nd Reading

			45 days (instead of 90 days) in advance of any notification of the company's actions sent to plan sponsors, participants, beneficiaries, and covered individuals. Makes conforming changes. Amends the Managed Care Reform and Patient Rights Act. Makes changes in provisions concerning flat-dollar copayment structures for prescription drug benefits. Amends the Network Adequacy and Transparency Act. Provides that the Act does not apply to an individual or group policy for excepted benefits or short-term, limited-duration health insurance coverage (instead of an individual or group policy for dental or vision insurance or a limited health service organization) with a network plan, except to the extent that federal law establishes network adequacy and transparency standards for stand-alone dental plans, which the Department shall enforce. Provides that if the Centers for Medicare and Medicaid Services establishes minimum provider ratios for stand-alone dental plans in the type of exchange in use in this State for a given plan year, the Department shall enforce those standards for stand-alone dental plans for that plan year. Requires the Department of Insurance to enforce certain appointment wait-time standards, time and distance standards, and other standards if the Centers for Medicare and Medicaid Services establishes those standards for plans in the type of exchange in use in this State. Makes other changes. SB 3130 (SCA 0001) **(REFERRED TO ASSIGNMENTS – TO STAY IN ASSIGNMENTS)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Amends the Department of Insurance Law of the Civil Administrative Code of Illinois. Provides that the Marketplace Director of the Illinois Health Benefits Exchange shall serve for a term of 2 years, and until a successor is appointed and qualified; except that the term of the first Marketplace Director appointed shall expire on the third Monday in January 2027. Provides that the Marketplace Director may serve for more than one term. Removes language providing that the Marketplace Director may be an existing employee with other duties. Provides that the Marketplace Director shall (instead of shall not) be subject to the Personnel Code. In*	Neutral with Amendment #1	

			the Illinois Insurance Code, provides that a pregnant individual has the right to enroll in a qualified health plan through a special enrollment period within 60 days (instead of at any time) after any qualified health care professional certifies that the individual is pregnant. In the Managed Care Reform and Patient Rights Act, provides that each level of coverage that a health insurance carrier offers of a standardized option in each applicable service area shall be deemed to satisfy (instead of shall satisfy) the requirements for a flat-dollar copay structure. Amends the Health Maintenance Organization Act. Provides that health maintenance organizations shall comply with the Illinois Insurance Code's requirements concerning pregnancy as a qualifying life event. ***Effective immediately, except that the changes to the Network Adequacy and Transparency Act take effect January 1, 2025.*** SB 3130 (SFA 0002) **(REFERRED TO INSURANCE)** *Replaces everything after the enacting clause. Health	Pharma Benefit Manager	SB 3179 Harris	Amends the Illinois Insurance Code. Provides that all compensation remitted by or on behalf of a pharmaceutical manufacturer, pharmaceutical developer, or pharmaceutical labeler, directly or indirectly, to a health insurer or to a pharmacy benefit manager under contract with a health insurer that is related to the health insurer's prescription drug benefits must be either remitted directly to the covered person at the point of sale to reduce the out-of-pocket cost to the covered person associated with a particular prescription drug or remitted to and retained by the health insurer. Requires a health insurer to file with the Department of Insurance a report demonstrating the health insurer's compliance with the provisions.	Oppose	SENATE Referred to Assignments
Health	Inhaler Coverage	SB 3203 Hunter	Amends the Illinois Insurance Code. Provides that a health plan shall limit the total amount that a covered person is required to pay for a covered prescription inhaler at an amount not to exceed $25 per 30-day supply and shall limit the total amount that a covered person is required to pay for all covered prescription inhalers at an amount not to exceed $50 in total per 30 days. Provides that coverage for prescription inhalers shall not be subject to any deductible. Provides that nothing in the provisions prevents a health plan from reducing a covered person's cost sharing to an amount less than the cap. Authorizes rulemaking and enforcement by the Department of Insurance. ***Effective January 1, 2025.*** SB 3203 (SCA 0001) **(ADOPTED)** *Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed on or before December 31, 2025 that provides coverage for prescription drugs may not deny or limit coverage for prescription inhalers (instead of prescription inhalants) based upon any restriction on the number of days before an inhaler refill may be obtained if, contrary*	Oppose Neutral with Amendment #1	SENATE 3rd Reading

			to those restrictions, the inhalants have been ordered or prescribed by the treating physician and are medically appropriate. Provides that a group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed on or after January 1, 2026 that provides coverage for prescription drugs shall limit the total amount that a covered person is required to pay for a covered prescription inhaler to an amount not to exceed $25 dollars per 30-day supply, and provides that nothing in the provisions prevents a group or individual policy of accident and health insurance or managed care plan from reducing a covered person's cost sharing to an amount less than the cap. Makes a conforming change. Provides that coverage for prescription inhalers shall not be subject to any deductible, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account. Authorizes rulemaking and enforcement by the Department of Insurance. Amends the State Employees Group Insurance Act of 1971. Provides that the program of health benefits shall provide coverage for prescription inhalers under the Illinois Insurance Code. SB 3203 (SFA 0002) **(REFERRED TO ASSIGNMENTS)** *Further amends the State Employees Group Insurance Act of 1971. Makes a technical change*	Neutral with Amendment #2	
All	Motor Vehicle Rates	SB 3213 Cervantes	Amends the Illinois Insurance Code. Provides that the amendatory Act may be referred to as the Motor Vehicle Insurance Fairness Act. Provides that no insurer shall refuse to issue or renew a policy of automobile insurance based in whole or in part on specified prohibited underwriting or rating factors. Sets forth factors that are prohibited with respect to underwriting and rating a policy of automobile insurance. Sets forth provisions concerning the use of territorial factors. Provides that every insurer selling a policy of automobile insurance in the State shall demonstrate that its marketing, underwriting, rating, claims handling, fraud investigations, and any algorithm or model used for those business practices do not disparately impact any group of customers based on race, color, national or ethnic origin, religion, sex, sexual orientation, disability, gender identity, or gender expression. Provides that no	OPPOSE IN SOLIDARITY	SENATE Referred to Assignments

			rate shall be approved or remain in effect that is excessive, inadequate, unfairly discriminatory, or otherwise in violation of the provisions. Provides that every insurer that desires to change any rate shall file a complete rate application with the Director of Insurance. Provides that all information provided to the Director under the provisions shall be available for public inspection. Provides that any person may initiate or intervene in any proceeding permitted or established under the provisions and challenge any action of the Director under the provisions. Provides that the Department of Insurance shall adopt rules. Provides that all insurers subject to the provisions shall be assessed a fee of 0.05% of their total earned premium from the prior calendar year, and that the fee shall be payable to the Department no later than July 1 of each calendar year and shall be used by the Department to implement the provisions.		
Health	Clinician Administer Drug	SB 3225 Castro	Amends the Illinois Insurance Code. Provides that a health benefit plan amended, delivered, issued, or renewed on or after January 1, 2025 that provides prescription drug coverage through a medical or pharmacy health benefit or its contracted pharmacy benefit manager shall not engage in or require an enrollee to engage in specified prohibited acts. Provides that a clinician-administered drug shall meet the supply chain security controls and chain of distribution set by the federal Drug Supply Chain Security Act. Provides that the Department of Insurance may adopt rules as necessary to implement the provisions. Defines terms. Health	Short Term Health Insurance	SB 3675 Harris	Amends the Illinois Insurance Code. Provides that any failure to make a disclosure or obtain a signed confirmation required under specified provisions of the Short-Term, Limited-Duration Health Insurance Coverage Act is an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. Provides that the Director of Insurance shall have the power to examine and investigate into the affairs of every person subject to specified provisions of the Short-Term, Limited-Duration Health Insurance Coverage Act. Provides that the Director may place on probation, suspend, revoke, or refuse to issue or renew an insurance producer's license or may levy a civil penalty or take any combination of actions for any failure to make a disclosure or obtain a signed confirmation required or any unlawful practice described under specified provisions of the Short-Term, Limited-Duration Health Insurance Coverage Act. Amends the Short-Term,	Support	SENATE Referred to Assignments

			Limited-Duration Health Insurance Coverage Act. Sets forth provisions concerning the purpose and scope of the Act. Provides that the Act applies to health insurance issuers that offer short-term, limited-duration health insurance coverage to groups and individuals (rather than only individuals) in the State. Sets forth provisions concerning duration of coverage; cancellation; and disclosure, filing, and coverage requirements of short term, limited-duration health insurance coverage. Sets forth provisions concerning unfair or deceptive practices relating to the sale of supplemental or short-term, limited-duration health insurance coverage. Defines terms. Makes other changes. ***Effective January 1, 2026.***		
Health	HIV TLC Act	SB 3711 Collins	Amends the Department of Public Health Act. Establishes the role of HIV Treatment Innovation Coordinator to be housed within the Department. Provides that the Department shall create and fill the Coordinator role within 6 months after the effective date of the amendatory Act. Requires the Coordinator to develop and execute a comprehensive strategy to adopt a Rapid Start model for HIV treatment as the standard of care. Requires compensation and benefits for the Coordinator be at the Program Director level. Describes the specific job responsibilities of the Coordinator. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance amended, delivered, issued, or renewed in this State on or after January 1, 2025 shall provide coverage for home test kits for sexually transmitted infections, including any laboratory costs of processing the home test kit, that are deemed medically necessary or appropriate and ordered directly by a clinician or furnished through a standing order for patient use based on clinical guidelines and individual patient health needs. Makes a conforming change to the Illinois Public Aid Code regarding coverage for home test kits for sexually transmitted infections. Amends the AIDS Confidentiality Act. Creates the Illinois AIDS Drug Assistance Program. Provides that Illinois AIDS Drug Assistance Program applications shall be processed within 72 hours after the time of submission. Provides for conditional approval of Illinois AIDS Drug Assistance Program applications within 24 hours after time of submission.	Oppose	SENATE Assigned to Appropriations – Health & Human Services

			Requires Illinois AIDS Drug Assistance Program applicants to document residency within the State of Illinois. Provides for 8 Rapid Start for HIV Treatment pilot sites established by the Department of Public Health. Provides that the Department shall publish a report on the operation of the pilot program 15 months after the pilot sites have launched. Establishes requirements for the report, requires that the report be shared with the General Assembly, the Governor's Office, and requires that the report be made available on the Department's Internet website. Amends the County Jail Act. Creates new annual adult correctional facility public inspection report requirements on the topics of HIV and AIDS.		
Health	Pet Scan Coverage	SB 3719 Johnson	Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after July 1, 2024 shall provide coverage for the full cost of an annual PET scan for insureds age 35 or older who elect to get a PET scan, regardless of whether the PET scan was ordered by a physician licensed to practice medicine in all its branches and regardless of whether the insured displays symptoms. Sets forth findings and definitions. ***Effective immediately***	Oppose	SENATE Referred to Assignments
Health	Dental Care/ Electronic Billing	SB 3721 Syverson	Amends the Uniform Electronic Transactions in Dental Care Billing Act. Provides that beginning January 1, 2027 (instead of 2025), no dental plan carrier is required to accept from a dental care provider eligibility for a dental plan transaction or dental care claims or equivalent encounter information transaction. Sets forth exemptions from the requirements of the Act, and requires a dental care provider who is exempt from the requirements of the Act to file a form with the Department of Insurance indicating the applicable exemption. Requires each dental plan carrier to establish a portal that provides certain benefit and billing information. Requires a dental plan carrier to establish an electronic portal that allows dental care providers to submit claims electronically and directly to the dental care provider; accept attachments in an electronic format with the initial electronic claim's submission; and provide remittance advice with the corresponding payment. Provides that nothing in the Act requires a dental care provider to only	Oppose	SENATE Referred to Assignments

			accept electronic payment from a dental plan carrier. Provides that dental plan carriers shall allow alternative forms of payment, without additional fees or charges, to a dental care provider, if requested. ***Effective immediately.***		
Health	Patient Access 340B Pharmacy	SB 3727 Gillespie	Creates the Patient Access to Pharmacy Protection Act. Defines terms. Provides that no person, including a pharmaceutical manufacturer, may deny, restrict, prohibit, condition, or otherwise interfere with, either directly or indirectly, the acquisition of a 340B drug by, or delivery of a 340B drug to, a 340B covered entity or a 340B contract pharmacy authorized to receive 340B drugs on behalf of the 340B covered entity unless such receipt is prohibited by federal law. Provides that no person, including a pharmaceutical manufacturer, may impose any restriction on the ability of a 340B covered entity to contract with or designate a 340B contract pharmacy including restrictions relating to the number, location, ownership, or type of 340B contract pharmacy. Provides that no person, including a pharmaceutical manufacturer, may require or compel a 340B covered entity or 340B contract pharmacy to submit or otherwise provide ingredient cost or pricing data pertinent to 340B drugs; institute requirements in any way relating to how a 340B covered entity manages its inventory of 340B drugs that are not required by a State or federal agency, including requirements relating to the frequency or scope of audits of inventory management systems of a 340B covered entity or a 340B contract pharmacy; or require a 340B covered entity or its 340B contract pharmacy to submit or otherwise provide data or information that is not required by State or federal law. Sets forth provisions concerning enforcement of this Act; preemption of this Act; and severability of this Act. ***Effective immediately.***	Oppose	SENATE Referred to Assignments
Health	Prior Auth Chronic Health	SB 3732 Castro	Amends the Prior Authorization Reform Act. Provides that the Act applies to the program of group health benefits under the State Employees Group Insurance Act of 1971. Provides that a health insurance issuer shall not require prior authorization: where a medication is prescribed for a chronic condition, long-term condition, or mental health condition, has been prescribed for 6 months or more, or is a treatment	Oppose	SENATE 2nd Reading

			for the clinical indication as supported by peer-reviewed medical publications; or for patients currently managed with an established treatment regimen. Removes language requiring a health insurance issuer to periodically review its prior authorization requirements and consider removal of prior authorization requirements under certain circumstances. Makes a conforming change. ***Effective July 1, 2024***. SB 3732 (SCA 0001)(**ADOPTED)** ***Changes the effective date from July 1, 2024 to July 1, 2026***.	Neutral with Amendment #1	
Health	Network Adequacy Standards	SB 3739 Peters	Amends the Network Adequacy and Transparency Act. Adds definitions. Provides that the minimum ratio for each provider type shall be no less than any such ratio established for qualified health plans in Federally-Facilitated Exchanges by federal law or by the federal Centers for Medicare and Medicaid Services. Provides that the maximum travel time and distance standards and appointment wait time standards shall be no greater than any such standards established for qualified health plans in Federally-Facilitated Exchanges by federal law or by the federal Centers for Medicare and Medicaid Services. Makes changes to provisions concerning network adequacy, notice of nonrenewal or termination, transition of services, network transparency, administration and enforcement, provider requirements, and provider directory information. Amends the Managed Care Reform and Patient Rights Act. Makes changes to provisions concerning notice of nonrenewal or termination and transition of services. Amends the Illinois Administrative Procedure Act to authorize the Department of Insurance to adopt emergency rules implementing federal standards for provider ratios, time and distance, or appointment wait times when such standards apply to health insurance coverage regulated by the Department of Insurance and are more stringent than the State standards extant at the time the final federal standards are published. Amends the Illinois Administrative Procedure Act to make a conforming change. ***Effective immediately.***	Oppose	SENATE Re-Referred to Assignments

			SB 3739 (SCA 0001) **(REFERRED TO ASSIGNMENTS – TO STAY IN ASSIGNMENTS)** *Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the amendatory Act may be referred to as the Health Care Consumer Access and Protection Act. Amends the Illinois Insurance Code. Provides that, unless prohibited under federal law, for plan year 2026 and thereafter, for each insurer proposing to offer a qualified health plan issued in the individual market through the Illinois Health Benefits Exchange, the insurer's rate filing must apply a cost-sharing reduction defunding adjustment factor within a range that is uniform across all insurers; is consistent with the total adjustment expected to be needed to cover actual cost-sharing reduction costs across all silver plans on the Illinois Health Benefits Exchange statewide; and makes certain assumptions. Provides that the rate filing must apply an induced demand factor based on a specified formula. Provides that certain provisions concerning filing of premium rates for group accident and health insurance for approval by the Department of Insurance do not apply to group policies issued to large employers. Removes language providing that certain provisions do not apply to the large group market. Provides that for large employer group policies issued, delivered, amended, or renewed on or after January 1, 2026, the premium rates and risk classifications must be filed with the Department annually for approval. Amends the Limited Health Service Organization Act to provide that pharmaceutical policies are subject to the provisions of the amendatory Act. Sets forth provisions concerning short-term, limited-duration insurance. Provides that no company shall issue, deliver, amend, or renew short-term, limited-duration insurance. Provides that the Department may adopt rules as deemed necessary that prescribe specific standards for or restrictions on policy provisions, benefit design, disclosures, and sales and marketing practices for excepted benefits. Provides that the Director of Insurance's authority under specified provisions is extended to group and blanket excepted benefits. Makes conforming changes in the Health Maintenance Organization Act. Repeals the Short-Term,*	Oppose with Amendment #1	

			Limited-Duration Health Insurance Coverage Act. Provides that no later than July 1, 2025, insurance companies that use a drug formulary shall post the formulary on their websites. Makes changes concerning utilization reviews and step therapy requirements. Provides that beginning January 1, 2026, coverage for inpatient mental health treatment at participating hospitals or other licensed facilities shall comply with specified requirements concerning prior authorization, coverage, and concurrent review. Makes other changes. Further amends the Managed Care Reform and Patient Rights Act. Removes provisions concerning step therapy. Provides that only a clinical peer may make an adverse determination. Sets forth certain requirements for utilization review programs. Provides that no utilization review program or any policy, contract, certificate, evidence of coverage, or formulary shall impose step therapy requirements for any health care service, including prescription drugs. Amends the Health Carrier External Review Act. Requires a health insurance issuer to publish on its public website a list of services for which prior authorization is required. ***Effective January 1, 2025.***		
Health	Prior Auth Substance Use	SB 3741 Morrison	Amends the Illinois Insurance Code. In provisions prohibiting certain individual or group health benefit plans from imposing prior authorization requirements on medications prescribed or administered for the treatment of substance use disorder, provides that the prohibition includes limitations on dosage. Makes similar changes in the Medical Assistance Article of the Illinois Public Aid Code. ***Effective immediately.***	Oppose	SENATE 3rd Reading
Health	Non-Participating Providers	SB 3778 Collins	Amends the Illinois Insurance Code. In a provision concerning services provided by nonparticipating providers, provides that "health care facility" in the context of non-emergency services, includes a facility or office in which a patient receives reproductive health care, as defined in the Reproductive Health Act.	Monitor	SENATE Referred to Assignments
Health	Nonopioid Alternatives Act	SB 3781 Villa	Creates the Nonopioid Alternatives for Pain Act. Requires the Department of Public Health to develop and publish an educational pamphlet regarding the use of nonopioid alternatives for pain treatment. Provides that a health care practitioner shall exercise professional judgment in selecting appropriate treatment modalities for pain in	Oppose	SENATE Referred to Assignments

			accordance with specified Centers for Disease Control and Prevention guidelines, including the use of nonopioid alternatives whenever nonopioid alternatives exist. Requires a health care practitioner who prescribes an opioid drug to provide certain information to the patient, discuss certain topics, and document the reasons for the prescription. Requires the Department to develop a nonopioid directive form for patients. Sets forth provisions concerning exceptions, execution of a nonopioid directive, opioid administration to a patient with a nonopioid directive, and limitations of liability. Amends the Illinois Insurance Code. Provides that when a licensed health care practitioner prescribes a nonopioid medication for the treatment of acute pain, it shall be unlawful for a health insurance issuer to deny coverage of the nonopioid prescription drug in favor of an opioid prescription drug or to require the patient to try an opioid prescription drug before providing coverage. Provides that in establishing and maintaining its drug formulary, a health insurance issuer shall ensure that no nonopioid drug approved by the Food and Drug Administration for the treatment or management of pain shall be disadvantaged or discouraged, with respect to coverage or cost sharing, relative to any opioid or narcotic drug for the treatment or management of pain. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that whenever a licensed health care practitioner prescribes a nonopioid medication for the treatment of acute pain, neither the Department of Healthcare and Family Services nor a managed care organization shall deny coverage of the nonopioid prescription drug in favor of an opioid prescription drug or require a patient to try an opioid prescription drug prior to providing coverage of the nonopioid prescription drug. Makes other changes.		
Health	DHFS Managed Care Assessment	SB 3783 Gillespie	Amends the Managed Care Organization Provider Assessment Article of the Illinois Public Aid Code. Changes the Tier 1 assessment amount for managed care organizations to $78.90 per member month (rather than $60.20 per member month). Changes the Tier 2 assessment amount for managed care organizations to $1.40 per member month (rather than $1.20 per member month). Provides that for State fiscal	Monitor	SENATE Assigned to Appropriations – Health & Human Services

			year 2020, and for each State fiscal year thereafter (rather than for State fiscal year 2020 through State fiscal year 2025), the Department of Healthcare and Family Services may adjust rates or tier parameters or both. Makes changes to the definition of "base year". ***Effective January 1, 2025.***		
Health	Health Benefit Exchange Waiver	SB 3912 Castro	Amends the Illinois Health Benefits Exchange Law. Provides that the Director of Insurance shall have the authority to apply for and implement programs that increase the affordability of or access to health insurance coverage, including for populations currently not eligible to enroll in the Illinois Health Benefits Exchange, through federal 1332 waivers, 1331 authority, or other available federal waivers and authorities.
