	Director in the capacity of receiver under specified provisions of the Code, the Illinois Life and Health Insurance Guaranty Association, an organizations in another state similar to the Illinois Insurance Guaranty Fund or the Illinois Life and Health Insurance Guaranty Association. Effective immediately. Identical to HB 2405 (Hoffman) .		
Data Privacy & Cybersecurity			
HB 53 (Andrade)	Provides that employers that rely solely upon artificial intelligence to determine whether an applicant will qualify for an in-person interview must gather and report certain demographic information to the Department of Commerce and Economic Opportunity. Requires the Department to analyze the data and report to the Governor and General Assembly whether the data discloses a racial bias in the use of artificial intelligence.	MONITOR	House Cybersecurity, Data Analytics, and IT
HB 1811 (Andrade)	Amends the Equal Pay Act and the Consumer Fraud and Deceptive Business Practices Act to restrict use of predictive data analytics used to determine a job applicant's credit worthiness or a hiring decision to include information that correlates with the race or zip code of the applicant for credit or employment.	MONITOR	House Rules
HB 2404 (Buckner)	Creates the Right to Know Act to require operators of commercial websites or online services that collect personal information about Illinois customers must, in their terms of service or privacy policy, identify all categories of personal information the operator collects, identify all categories of third party persons or entities with whom the operator may disclose that information, and provide a description of the customer's rights to access their information. Provisions also provide for a private right of action. Provides for blanket exemption for entities subject to GLBA and HIPAA.	OPPOSE	House Rules
HB 3030 (Wheeler)	Creates the Cybersecurity Compliance Act to provide for an affirmative defense for every covered entity that creates, maintains, and complies with a written cybersecurity program (as prescribed by the legislation).	MONITOR	House Rules
HB 3040 (Wheeler)	Creates the Insurance Data Security Act based on the NAIC Cybersecurity Model Law. The provisions DO NOT contain suggested changes put forward by the joint trades (industry).	OPPOSE without Joint Trade Suggested Changes	House Rules
HB 3453 (Williams)	Creates the Geolocation Privacy Protection Act to require a private entity that owns, operates, or controls a location-based application on a user's device from disclosing geolocation information from a location-based application to a third party unless the private entity first receives the user's affirmative express	MONITOR	House Rules

	consent after providing a specified notice to the user. The provisions include an exemption for HIPAA and GLBA-regulated entities.		
HB 3910 (Mussman)	Creates the Consumer Privacy Act to set forth numerous data privacy requirements, including a “right to be forgotten” with exceptions. The provisions include exemptions for certain data protected under HIPAA and GLBA.	MONITOR	House Rules
Paid Family Medical Leave			
HB 74 (Flowers)	Establishes paid family leave requiring employers with 50 or more employees to provide 6 weeks of paid leave.	MONITOR	House Labor & Commerce
HB 616 (Costa Howard)	Establishes paid family leave requiring employers (regardless of size) to provide 12 weeks of leave and pay the cost of health insurance applicable to the employee during that period.	MONITOR	House Rules
HB 2625 (Flowers)	Creates the Family Leave Insurance Act. Requires the Department of Employment Security to establish and administer a family leave insurance program. Provides family leave insurance benefits to eligible employees who take unpaid family leave to care for a newborn child, a newly adopted or newly placed foster child, or a family member with a serious health condition. Authorizes family leave of up to 12 weeks during any 24-month period. Authorizes compensation for leave in the amount of 85% of the employee's average weekly wage subject to a maximum of \$881 per week. <i>The state-run leave program does not replace the private market option.</i>	MONITOR	House Rules
HB 3433 (Morgan)	Creates the Paid Family Leave Program directing the IL Department of Employment Security to establish a state-run paid medical leave program for employees. The provisions do not specific duration of leave allowed but does direct the Department to establish a computation of benefit amounts and contributions paid by employees and employers. <i>The state-run leave program does not replace the private market option but does impose contribution requirements on employers with more than 50 employees.</i>	MONITOR	House Rules
HB 3898 (Gordon Booth)	Creates the Healthy Workplace Act to require employers to provide a minimum of 40 hours of paid sick leave during a 12-month period for certain purposes. Employees cannot waive their right to paid leave except in cases where the benefits are collectively bargained.	MONITOR	House Rules
LIFE, DISABILITY, LTCI, & SUPPLEMENTAL			
HB 33 (Mason)	With respect to individuals who are participating in a substance use treatment or recovery support program, the proposed legislation seeks to prohibit life	OPPOSE	House Insurance

<u>Bill Number</u>	<u>Bill Description/Action</u>	<u>ILHIC Position</u>	<u>Status</u>
	insurers from canceling, terminating, or “refusing to renew” an individual’s life insurance policy due to their participation; considering that participation in the underwriting or application process; or denying a claim due to a beneficiary’s participation in those programs. The provisions are specific to those individuals in active recovery/treatment programs and do not prohibit these considerations when applied across broader physical and mental health considerations, or individuals who are not in active recovery/treatment programs.		
<u>HB 62 (Flowers)</u>	Creates the Health Care For All program establishing single payer health insurance in IL.	OPPOSE	House Health Care Availability & Accessibility
<u>HB 228 (Mayfield)</u>	Prohibits an insurer or producer from making a distinction or otherwise discriminating between persons, reject an applicant, cancel a policy, or demand or require a higher rate of premium for reasons based SOLELY upon the basis that an applicant or insured has been convicted of a felony.	OPPOSE as INTRODUCED	House Insurance
<u>HB 295 (Manley)</u>	As introduced, the provisions currently require insurers to issue an irrevocable assignment of benefits to a funeral home in an amount not to exceed the purchase price of a funeral or burial expense policy. The language is intended to address a current issue with Medicaid beneficiaries seeking eligibility and avoidance of current asset limitations. Current law allows exemptions in assets up to a certain dollar amount in addition to exemptions for final expense policies that must be irrevocably assigned. ILHIC is working with HFS, the IL Funeral Directors Association and the National Academy of Elder Law Attorneys to determine language that appropriately addresses the problem.	OPPOSE as INTRODUCED - Amendatory language is expected	House Insurance
<u>HB 317 (Jones)</u>	Requires an air ambulance service or other entity that directly or indirectly, whether through an affiliated entity, agreement with a third-party entity, or otherwise, solicits air ambulance membership subscriptions, accepts membership applications, or charges membership fees to be regulated as insurance under the Insurance Code.	MONITOR	House Rules
<u>HB 339 (Batinick)</u>	Removes the 181-day, non-renewable limitation on short-term, limited duration health insurance policies.	SUPPORT	House Rules
<u>HB 2649 (Yednock)</u>	Requires supplemental hospital/medical indemnity policies to provide coverage for (rather than offer optional coverage for an additional premium) for the reasonable and necessary medical treatment of temporomandibular joint disorder and craniomandibular disorder.	OPPOSE	House Rules
<u>HB 3308 (Jones)</u>	Updates telehealth insurance coverage requirements to include “telephone usage” in the definition of “telehealth services” and provides that insurers must	TBD	House Rules

<u>Bill Number</u>	<u>Bill Description/Action</u>	<u>ILHIC Position</u>	<u>Status</u>
	cover telehealth services “when clinically appropriate.” Reinforces existing provisions that patient cost-sharing cannot be more than if the health care service were delivered in-person. <u>Provides that no excepted benefit policy may deny or reduce any benefit to a patient based on the use of clinically appropriate telehealth services in the course of satisfying the policy's benefit criteria.</u>		
HB 3759 (Spain)	Creates the Telehealth Parity Act to require health insurers, <u>including excepted benefit plans that provided limited scope dental benefits, limited scope vision benefits, LTC benefits, accident-only, and specified disease or illness coverage</u> , to cover the costs of all medically necessary telehealth services rendered by in-network providers. The provisions allow insurers to apply coverage criteria, but that criteria must be in compliance with provisions set forth in Executive Order 2020-09 . Prohibits insurers from applying prior authorization for any COVID-19 related telehealth services and further provides that coverage for in-network telehealth services shall be provided without cost-share (exemption applicability to HSAs).	OPPOSE	House Rules
SB 147 (Murphy)	Establishes a “birthday rule” for Medigap policies to provide that an existing Medicare supplement policyholder would be entitled to an annual open enrollment period of 60 days or more commencing on their birthday with guaranteed issuance of a replacement policy that offers benefits equal or less than those provided by the previous coverage.	OPPOSE	Senate Insurance
SB 202 (Morrison)	Provides that it is a civil rights violation to offer a group or individual policy of accident and health insurance, including coverage against disablement or death, that does <u>not</u> include equal terms and conditions of coverage for the treatment of a mental, emotional, nervous, or substance use disorder or condition or a history thereof. Senator Morrison sponsored P.A. 101-0332 establishing a task force to study disability income insurance and parity for behavioral health conditions, but the Governor has not yet made appointments to the task force and the group has not yet met or begun that work.	OPPOSE	Senate Assignments
SB 493 (Syverson)	Creates the Uniform Electronic Transactions in Dental Care Billing Act. Requires all dental plan carriers and dental care providers to exchange claims and eligibility information electronically using the standard electronic data interchange transactions for claims submissions, payments, and verification of benefits required under the Health Insurance Portability and Accountability Act in order to be compensable by the dental plan carrier.	MONITOR	Senate Assignments

RETIREMENT/ANNUITIES			
HB 117 (Guzzardi)	Expands the Secure Choice Savings Program to apply to sole proprietors and employers (rather than employers with fewer than 25 employees) and allows for automatic increases in contributions. The provisions also expand the penalties levied on employers for failure to comply with the requirements of the Act. Identical to SB 208 (Martwick) .	OPPOSE	House Personnel & Pensions
SB 208 (Martwick)	Expands the Secure Choice Savings Program to apply to sole proprietors and employers (rather than employers with fewer than 25 employees) and allows for automatic increases in contributions. The provisions also expand the penalties levied on employers for failure to comply with the requirements of the Act. Identical to HB 117 (Guzzardi) .	OPPOSE	Senate Rules
HEALTH INSURANCE			
HB 61 (Costa Howard)	The provisions require coverage of prescription inhalants and require (instead of make permissive) a health insurer or managed care plan from denying or limiting coverage refills for prescription inhalants to enable persons to breathe when suffering from asthma or other life-threatening bronchial ailments if those restrictions are contrary to what has been prescribed and considered medically appropriate.	MONITOR	House Insurance
HB 62 (Flowers)	Creates the Health Care For All program establishing single payer health insurance in IL.	OPPOSE	House Health Care Availability & Accessibility
HB 135 (Mussman)	Authorizes the IL Department of Public Health to issue a standing order for contraceptives and authorizes a pharmacist to dispense hormonal contraceptives. The legislation requires health insurers to cover patient care services related to the dispensing of hormonal contraceptives for pharmacists.	OPPOSE	House Health Care Licenses
HB 146 (Morgan)	Authorizes the Director of Insurance to actively approve individual and small group ACA health plan rates and may disapprove any rate deemed "unreasonable." The Director must act on the rates within 60 days or else they are deemed approved.	OPPOSE	House Insurance
HB 213 (Conroy)	Creates the Eating Disorder Treatment Parity Task Force within the DOI to review reimbursements to eating disorder treatment providers in IL, as well as out-of-state providers of similar services. The Task Force currently does not provide for industry representation, but requires the group to "work cooperatively with the insurance industry. . . to identify the high costs of medical complications, disability, and loss of life associated with eating	OPPOSE (Due to lack of industry representation on the Task Force)	House Mental Health & Addiction

<u>Bill Number</u>	<u>Bill Description/Action</u>	<u>ILHIC Position</u>	<u>Status</u>
	disorders and to determine whether disparities in insurance reimbursement is limiting access to a full range of evidence-based treatment providers in the State.”	<i>The sponsor has agreed to file an amendment to add 2 members of the insurance industry to the Task Force).</i>	
HB 707 (Didech)	Amends the current telehealth coverage provisions, for policies that provide coverage for telehealth services, reimbursement must be made at parity with those same services if they were provided in-person.	OPPOSE	House Rules
HB 711 (Harris)	Creates the Prior Authorization Reform Act to establish new requirements regarding disclosure and review of PA requirements, denial of claims or coverage by a utilization review organization for various levels of service, including nonurgent and urgent care effective January 1, 2022. The provisions of the bill incorporate some feedback provided by ILHIC to HB 5510 (Harris) of the 101 st General Assembly. Proponents of the bill, including ISMS and other provider and patient advocacy groups, have formed a “Your Care Can’t Wait” campaign in support of prior authorization reform. Identical to SB 177 (Holmes) .	OPPOSE	House Rules
HB 1728 (Mazzochi)	Amends the Medical Patient Rights Act to provide, in addition to any other right provided under the Act, certain qualifying patients have the ability to request diagnostic screenings without a physician’s order as follows: (1) females over the age of 40 have the right to a breast cancer screening mammogram once per year; and all persons have a right to request annual screening under the age of 40 if such person has a family history of breast cancer; or genetic testing has confirmed likelihood that such person has otherwise tested positive for BRCA1 or BRCA2 mutations; (2) males have the right to prostate-specific antigen testing at once per year if specified requirements are met; (3) all persons have the right to colorectal screening under specified conditions; (4) all persons over the age of 18, or under the age of 18 with one parent's consent, have the right to screening for sexually transmitted diseases or infections at least every 6 months, or in the event of unprotected sexual activity; and (5) all persons over the age of 18, or under the age of 18 with a parent's or legal guardian's consent, have the right to screening for COVID-19 infection and testing for COVID-19 antibodies. The provisions of the bill do not require coverage and the patient seeking the diagnostic test without a written order from a physician shall be responsible for paying for the diagnostic test provided that the provider of the diagnostic testing provides the patient in writing the	MONITOR	House Rules

<u>Bill Number</u>	<u>Bill Description/Action</u>	<u>ILHIC Position</u>	<u>Status</u>
	cost of the diagnostic test prior to it being performed and the patient agrees to that cost.		
<u>HB 1745 (Harris)</u>	Requires health insurance carriers that provide coverage for prescription drugs to ensure that, within service areas and levels of coverage specified by federal law, at least half of individual and group plans meet one or more of the following criteria: 1) apply a pre-deductible and flat-dollar copayment structure to the entire drug benefit; 2) limit a beneficiary's monthly out-of-pocket financial responsibility for prescription drugs to a specified amount; or 3) limit a beneficiary's annual out-of-pocket financial responsibility for prescription drugs to a specified amount. Effective January 1, 2022. Identical to <u>SB 275 (Bennett)</u> .	OPPOSE	House Rules
<u>HB 1779 (Flowers)</u>	Prohibits health insurers from requiring prior authorization for biomarker testing for an insured with advanced or metastatic stage 3 or 4 cancer or biomarker testing of cancer progression or recurrence in the insured with advanced or metastatic stage 3 or 4 cancer.	OPPOSE	House Rules
<u>HB 1976 (Moeller)</u>	Allows optometrists to provide services via telehealth. Identical to <u>SB 567 (Villivalam)</u>	MONITOR	House Rules
<u>HB 2370 (Avelar)</u>	"Cap the copay" legislation that restricts an insured's monthly out of pocket cost to \$100 per 30-day supply.	OPPOSE	House Rules
<u>HB 2406 (Scherer)</u>	Provides that an individual or group policy of accident and health insurance or managed care plan in effect on and after March 9, 2020 must provide coverage for the cost of administering a COVID-19 vaccination. Language is silent on vaccine as approved by the FDA.	OPPOSE	House Rules
<u>HB 2472 (Mazzoichi)</u>	Requires the Director to solicit information and data from health insurance carriers regarding insurance coverage for pediatric autoimmune neuropsychiatric disorder to report back to the General Assembly by November 15, 2021.	MONITOR	House Rules
<u>HB 2473 (Mazzoichi)</u>	In provisions requiring insurance coverage for prostate-specific antigen tests and for colorectal cancer examination and screening, removes provisions requiring the testing be recommended or prescribed by a physician. The provisions also mandate coverage for testing of sexually transmitted diseases or infections.	OPPOSE	House Rules
<u>HB 2554 (Mah)</u>	For purposes of the Telehealth Act, the provisions add "acupuncturists" to the list of health care professionals; however the bill does not make corresponding changes to the acupuncturists' practice act. The bill also provides IDFPR to adopt rules clarifying applicable services and administration of the Telehealth Act.	MONITOR	House Rules

<u>Bill Number</u>	<u>Bill Description/Action</u>	<u>ILHIC Position</u>	<u>Status</u>
HB 2589 (Conroy)	The bill includes provisions mandating coverage for ALL opioid antagonists approved by the FDA in addition to reimbursing a hospital for the hospital's cost of any FDA approved opioid antagonist. Identical to SB 679 (Fine) .	OPPOSE	House Rules
HB 2595 (Conroy)	Mandates coverage for medically necessary treatment for mental health and substance use conditions. Requires insurers to base medical necessity and utilization review criteria on specific current generally accepted standards of mental, emotional, nervous, or substance use disorder or condition care, including exclusively applying the criteria and guidelines set forth in the most recent versions of the treatment criteria developed by the nonprofit professional association for the relevant clinical specialty. Provides that an insurer shall not apply different, additional, conflicting, or more restrictive utilization review criteria than the criteria and guidelines set forth in the treatment criteria. Provides that the Director may, after appropriate notice and opportunity for hearing, assess a civil penalty between \$5,000 and \$20,000 for each violation. Identical to SB 697 (Fine) . <i>KFI initiative & priority for 2021.</i>	OPPOSE	House Rules
HB 2653 (Mason)	Mandates first dollar coverage for a diagnostic colonoscopy. The provisions include HSA tax preservation language.	OPPOSE	House Rules
HB 2896 (Conroy)	Early Intervention omnibus telehealth bill that includes language providing that if a health insurance policy provides coverage for early intervention services, it must also provide coverage for these services delivered via telehealth.	MONITOR	House Rules
HB 2919 (Mazzochi)	Provides that upon request by a party contracting with a pharmacy benefit manager, the party has an annual right to audit compliance with the terms of the contract by the pharmacy benefit manager, including, but not limited to, full disclosure of any value provided by a pharmaceutical manufacturer to a pharmacy benefit manager or the parent, subsidiary, or affiliate company of a pharmacy benefit manager. Provides for other PBM disclosure requirements.	MONITOR	House Rules
HB 2930 (Mazzochi)	In provisions concerning health insurance coverage for treatment of pediatric autoimmune neuropsychiatric disorders, provides that on and after the effective date of the amendatory Act, an insured shall have a cause of action for liquidated damages in the amount of \$1,000 or actual damages, whichever is greater, against any entity issuing a group or individual policy of accident and health insurance or managed care plan that fails to provide the coverage required for treatment of pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome.	OPPOSE	House Rules

<u>Bill Number</u>	<u>Bill Description/Action</u>	<u>ILHIC Position</u>	<u>Status</u>
HB 2948 (Morgan)	DOI Initiative seeking to address the copay accumulator ban implemented under P.A. 101-0452 as it applies to HSAs paired with a HDHP (to preserve the pre-tax advantages). The language, however, also requires insurers to identify a non-HSA eligible HDHP and offer a non-HSA eligible product if they do provide an HSA-eligible HDHP.	OPPOSE	House Rules
HB 2992 (Lilly)	Requires the Department of Insurance to conduct a study to better understand the gaps in health insurance coverage for uninsured residents, including the reasons why individuals are uninsured and whether insured individuals are insured through an employer-sponsored plan or through the Illinois health insurance marketplace. P.A. 101-649 requires the DOI and HFS to conduct a health care affordability feasibility study to address some of the same issues, which is expected to be released by February 28. The bill also requires all hospitals to provide health insurance to their employees.	MONITOR	House Rules
HB 3175 (Jones)	DOI Initiative increasing the wellness coverage cap from 20% to 30% per federal rules and further provides for clean-up of the Navigator Certification Act.	NO POSITION	House Rules
HB 3197 (Conroy)	Creates the Suicide Treatment Improvements Act to require that all at-risk patients be provided with one-on-one suicide prevention counseling by the public or private psychiatric facility at which the at-risk patient is being treated and mandates individual and group health insurance coverage for these services.	OPPOSE	House Rules
HB 3198 (Conroy)	Creates the Suicide Treatment Improvements Act to require suicide prevention counseling and treatment at facilities and mandates individual and group health insurance coverage for these services (similar to HB 3197); however the provisions of the bill also place certain requirements on IDPH and local public safety officials to identify individuals at risk for suicide.	OPPOSE	House Rules
HB 3259 (Gong Gershowitz)	Mandates coverage for the diagnosis and medically necessary treatment (instead of reasonable and necessary treatment and services for) mental health and substance use disorders and requires insurers to base medical necessity and utilization review criteria on specific current generally accepted standards of mental, emotional, nervous, or substance use disorder or condition care, including exclusively applying the criteria and guidelines set forth in the most recent versions of the treatment criteria developed by the nonprofit professional association for the relevant clinical specialty (similar to HB 2595 (Conroy)). The provisions also prohibit an insurer that authorizes a specific type of treatment by a provider from rescinding or modifying the authorization after	OPPOSE	House Rules

<u>Bill Number</u>	<u>Bill Description/Action</u>	<u>ILHIC Position</u>	<u>Status</u>
	that provider renders the health care service. Provides that if services for the medically necessary treatment of a mental health or substance use disorder are not available in-network within the geographic and timely access standards set by law or regulation, the insurer shall arrange coverage to ensure the delivery of medically necessary out-of-network services and any medically necessary follow-up services, and the insured shall pay no more in total for benefits rendered than the cost sharing that the insured would pay for the same covered services received from an in-network provider and further require every insurer to sponsor an education program, make the program available to other stakeholders, provide clinical review criteria at no cost to providers and insured patients, conduct interrater reliability testing, and achieve interrater pass rates of at least 90% or comply with specified requirements if the 90% threshold is not met.		
HB 3268 (Flowers)	Amends the Fair Patient Billing Act to prohibit a hospital from aggressively pursue debt collection for non-payment of a hospital bill against a patient with an annual household income of \$51,000 or less and further provides that a hospital whenever possible and after reviewing the patient eligibility, shall charge as much as possible of the patient's hospital bill to insurers.	OPPOSE	House Rules
HB 3308 (Jones)	Updates telehealth insurance coverage requirements to include “telephone usage” in the definition of “telehealth services” and provides that insurers must cover telehealth services “when clinically appropriate.” Reinforces existing provisions that patient cost-sharing cannot be more than if the health care service were delivered in-person. Provides that no excepted benefit policy may deny or reduce any benefit to a patient based on the use of clinically appropriate telehealth services in the course of satisfying the policy's benefit criteria.	TBD	House Rules
HB 3312 (Welter)	Requires insurers to cap OOP for a covered prescription inhalant drug to \$100 per 30-day supply regardless of the type and amount of the drug needed by the insured. Language aligns with similar OOP limits applied to insulin per P.A. 101-0625 .	OPPOSE	House Rules
HB 3327 (Haas)	In provisions concerning timely payment for health care services, provides that failure to make periodic payments within specified time periods shall entitle a health care professional, health care facility, independent practice association, physician-hospital organization, insurer, health maintenance organization, managed care plans health care plan, preferred	MONITOR	House Rules

	2020-09 . Prohibits insurers from applying prior authorization for any COVID-19 related telehealth services and further provides that coverage for in-network telehealth services shall be provided without cost-share (exemption applicability to HSAs).		
HB 3777 (Ortiz)	Prohibits prior authorization for prescription drugs used in the treatment of COVID-19 that have received emergency authorization from the FDA.	TBD	House Rules
HB 3794 (Stephens)	Requires insurers to cap OOP for a diabetic self-management supplies (not including insulin) to \$100 per 30-day supply regardless of the type and amount of the supply needed by the insured. Language aligns with similar OOP limits applied to insulin per P.A. 101-0625 .	OPPOSE	House Rules
HB 3845 (LaPointe)	Mandates coverage for medically necessary treatments for genetic, rare, unknown or unnamed, and unique conditions, including Ehlers-Danlos syndrome and altered drug metabolism. Provides that an insurance policy that provides coverage for prescription drugs shall include coverage for opioid alternatives, coverage for medicines included in the Model List of Essential Medicines published by the World Health Organization, and coverage for custom-made medications and medical food. Provides that an insurance policy that limits the quantity of a medication in accordance with applicable State and federal law shall not require pre-approval for the treatment of patients with rare metabolism conditions that may need a higher dose of medication than what is otherwise allowed within a time frame or prescription schedule. Provides that the burden of proving that treatment is medically necessary shall not lie with the insured in cases of rejections for filing claims, preauthorization requests, and appeals related to the coverage.	OPPOSE	House Rules
HB 3867 (Moeller)	Requires IDPH to design a prescription drug importation program where the State serves as the licensed wholesaler of imported drugs from Canada. The provisions set forth auditing and AG enforcement criteria, including ensuring that any participating health plan formularies, cost-sharing, and reimbursement criteria is based on the actual acquisition cost of the imported drug.	NO POSITION	House Rules
HB 3874 (Yang Rohr)	In provisions concerning infertility coverage and coverage for epinephrine injectors, provides that specified coverage shall be applicable to policies of insurance written in other states that insure an Illinois resident.	OPPOSE	House Rules
SB 158 (Holmes)	Creates the Prior Authorization Reform Act to establish new requirements regarding disclosure and review of PA requirements, denial of claims or coverage by a utilization review organization for various levels of service,	OPPOSE	Senate Assignments

	including nonurgent and urgent care effective January 1, 2022. <i>This bill will be tabled in favor of SB 177 (Holmes).</i>		
SB 177 (Holmes)	Creates the Prior Authorization Reform Act to establish new requirements regarding disclosure and review of PA requirements, denial of claims or coverage by a utilization review organization for various levels of service, including nonurgent and urgent care effective January 1, 2022. The provisions of the bill incorporate some feedback provided by ILHIC to HB 5510 (Harris) of the 101 st General Assembly. Proponents of the bill, including ISMS and other provider and patient advocacy groups, have formed a “Your Care Can’t Wait” campaign in support of prior authorization reform. Identical to HB 711 (Harris) .	OPPOSE	Senate Assignments
SB 202 (Morrison)	Provides that it is a civil rights violation to offer a group or individual policy of accident and health insurance, including coverage against disablement or death, that does <u>not</u> include equal terms and conditions of coverage for the treatment of a mental, emotional, nervous, or substance use disorder or condition or a history thereof. Senator Morrison sponsored P.A. 101-0332 establishing a task force to study disability income insurance and parity for behavioral health conditions, but the Governor has not yet made appointments to the task force and the group has not yet met or begun that work.	OPPOSE	Senate Assignments
SB 275 (Bennett)	Requires health insurance carriers that provide coverage for prescription drugs to ensure that, within service areas and levels of coverage specified by federal law, at least half of individual and group plans meet one or more of the following criteria: 1) apply a pre-deductible and flat-dollar copayment structure to the entire drug benefit; 2) limit a beneficiary's monthly out-of-pocket financial responsibility for prescription drugs to a specified amount; or 3) limit a beneficiary's annual out-of-pocket financial responsibility for prescription drugs to a specified amount. Effective January 1, 2022. Identical to HB 1745 (Harris) .	OPPOSE	Senate Assignments
SB 332 (Collins)	Amends the Network Adequacy and Transparency Act to require a network plan to include in their provider directory, information about whether the provider offers the use of telehealth or telemedicine to deliver services, what modalities are used and what services via telehealth or telemedicine are provided, and whether the provider has the ability and willingness to include in a telehealth or telemedicine encounter a family caregiver who is in a separate location than the patient if the patient so wishes and provides his or her consent. <i>Initiative of AARP.</i>	OPPOSE	Senate Assignments
SB 471 (Fine)	Sets forth time and distance standards for mental health providers. The proposed changes do not amend the existing network adequacy law (P.A. 100-	OPPOSE	Senate Assignments

<u>Bill Number</u>	<u>Bill Description/Action</u>	<u>ILHIC Position</u>	<u>Status</u>
	502) and instead set these specific standards forth in Section 370c of the Insurance Code addressing mental health parity coverage. P.A. 100- 502, which was negotiated by the industry, gave the Department authority to determine network standards for different providers annually and while mental health and substance abuse providers were not explicitly included in the list of specialists, the law allows the Department to consider other specialties. <i>ILHIC worked with the sponsor in 2020 to address some of these concerns; however, the language was never completely finalized before COVID interrupted the legislative session.</i>		
<u>SB 499 (Barickman)</u>	Adds existing optional coverage requirements regarding coverage for reasonable and necessary medical treatment of temporomandibular joint disorder and craniomandibular disorder, for an additional premium and subject to the insurer's standard of insurability, to the State Employees Group Insurance; County, Municipality, and School Insurance requirements, and HMOs (as well as LHSOs, Voluntary Health Services, and Medicaid).	NO POSITION	Senate Assignments
<u>SB 567 (Villivalam)</u>	Allows optometrists to provide services via telehealth. Identical to <u>HB 1976 (Moeller)</u> .	MONITOR	Senate Assignments
<u>SB 679 (Fine)</u>	The bill includes provisions mandating coverage for ALL opioid antagonists approved by the FDA in addition to reimbursing a hospital for the hospital's cost of any FDA approved opioid antagonist. Identical to <u>HB 2589 (Conroy)</u> .	OPPOSE	Senate Assignments
<u>SB 697 (Fine)</u>	Mandates coverage for medically necessary treatment for mental health and substance use conditions. Requires insurers to base medical necessity and utilization review criteria on specific current generally accepted standards of mental, emotional, nervous, or substance use disorder or condition care, including exclusively applying the criteria and guidelines set forth in the most recent versions of the treatment criteria developed by the nonprofit professional association for the relevant clinical specialty. Provides that an insurer shall not apply different, additional, conflicting, or more restrictive utilization review criteria than the criteria and guidelines set forth in the treatment criteria. Provides that the Director may, after appropriate notice and opportunity for hearing, assess a civil penalty between \$5,000 and \$20,000 for each violation. Identical to <u>HB 2595 (Conroy)</u> . <i>KFI initiative & priority for 2021.</i>	OPPOSE	Senate Assignments
